

Employee Homeownership Survey

_____ is currently considering implementing an Employer Assisted Housing (EAH) benefit to employees as a means to address the issues regarding the lack of "Homes for Working Families". Throughout the country and certainly throughout Pennsylvania, homeownership is beyond the reach of core community employees; teachers, police and fire personnel, store clerks, restaurant employees, county workers, etc. EAH programs assist employees in their quest to purchase a home. Please take a moment to fill out this survey. Your responses will be anonymous and extremely helpful to us. Thank you.
