

Bridges Constructs

1. Use the lens of economic class to understand and take responsibility for your own societal experience while being open to the experiences of others.
2. Base plans on accurate mental model of poverty, middle class and wealth.
3. Base plans on the premise that people in all classes, sectors and political persuasions are problem solvers and need to be at the decision making table.
4. Define poverty as the extent to which a person, institution or community does without resources.
5. Build relationships of mutual respect.
