

COMPARABLE REPLACEMENT HOUSING FOR TENANT RELOCATION

(For Nonparticipating Jurisdiction Applicants)

For developments with temporary or permanent relocation of a tenant(s), the units must be within the primary market area of the existing development, the units must be currently available, and three (3) comparable/replacement units for each tenant must be provided. The units must be comparable to the tenant's current unit, including overall condition and amenities. All examples must meet the definition of "Comparable Replacement Dwelling". Be sure to include the telephone number for the source of information.
