

Tab 8 Architect's/Applicant's/Consultant's Certifications

The certification form must be completed and signed by the design architect and applicant verifying the inclusion of all the amenities and requirements outlined in the threshold criteria. **If seeking points for meeting Passive House requirements, the Passive House Certification must be signed by the Passive House consultant and a copy of the consultant's Passive House certification must be provided in this Tab.**

If an applicant is requesting points in ranking for any of the development amenities outlined in the Selection Criteria, the certification form must be completed and signed by the design architect and applicant verifying the inclusion of the amenities in the development.

For developments not requiring the services of an architect, the Certifications may be provided by the general contractor. Certifications may not be dated prior to 60 days before the Application submission deadline. Confirmation of the inclusion of the Threshold Criteria and Selection Criteria from the construction contract administration architect will be required with the submission of the cost certification documents.
