Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the business-type activities and fiduciary activities of Pennsylvania Housing Finance Agency (the Agency), a component unit of the Commonwealth of Pennsylvania, as of and for the years ended June 30, 2025 and 2024 and the related notes to the financial statements, which collectively comprise Pennsylvania Housing Finance Agency's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and fiduciary activities of Pennsylvania Housing Finance Agency, as of June 30, 2025 and 2024 and the respective changes in financial position, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pennsylvania Housing Finance Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Housing Finance Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pennsylvania Housing Finance Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Housing Finance Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, schedules of changes in the Agency's net pension liability and related ratios, the schedules of employer contributions to Agency employees' retirement plan and government excess benefit plan, the schedules of investment returns of Agency employees' retirement plan and government excess benefit plan, and the schedules of changes in total OPEB liability and related ratios as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Pennsylvania Housing Finance Agency's basic financial statements. The combining balance sheets, the combining statements of revenues, expenses, and changes in net position, and the combining statements of cash flows as of and for the year ended June 30, 2025 and 2024 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the combining balance sheets, the combining statements of revenues, expenses, and changes in net position, and the combining statements of cash flows as of and for the year ended June 30, 2025 and 2024 are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 24, 2025, on our consideration of the Pennsylvania Housing Finance Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Pennsylvania Housing Finance Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pennsylvania Housing Finance Agency's internal control over financial reporting and compliance.

Management's Discussion and Analysis (unaudited – see accompanying auditors' report)
June 30, 2025 and 2024 (amounts rounded)

Management's Discussion and Analysis

Introduction

The discussion and analysis provided herein is designed to furnish an objective and easily understandable review of the financial activities of the Pennsylvania Housing Finance Agency ("Agency"). Readers are encouraged to consider the information presented in conjunction with the basic financial statements as a whole, which follow this section.

Understanding the Basic Financial Statements

The basic financial statements are designed to provide a broad overview of the Agency's finances, and include five required statements: The Balance Sheet, the Statement of Revenues, Expenses and Changes in Net Position, the Statement of Cash Flows, the Statement of Fiduciary Net Position, and the Statement of Changes in Fiduciary Net Position.

The Balance Sheet presents financial information respective of all of the Agency's assets, liabilities and deferred inflows and outflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Net Position reflect revenue and expenses within a given period in order to measure the success of the Agency's operations during that period and to illustrate how the Agency has funded its costs of operations.

The Statement of Cash Flows is presented using the direct method, which reports cash receipts and cash payments in four major classes of activities: Operating, Noncapital Financing, Capital Financing and Investing. Cash receipts and disbursements are presented within this statement in order to illustrate the net increase or decrease in cash and cash equivalents within a given period.

The Statement of Fiduciary Net Position includes information about the Agency's fiduciary funds held in its defined benefit pension plan. This financial statement presents assets, liabilities and deferred inflows and outflows of resources with the difference reported as net position.

The Statement of Changes in Fiduciary Net Position reflects changes in fiduciary net position of the Agency's fiduciary funds held in its defined benefit pension plan. These changes include additions such as contributions from employers and employees and deductions such as benefit payments and administrative expenses. The net increase (decrease) in fiduciary net position is the difference between these additions and deductions.

The basic financial statements are accompanied by a set of notes. The notes to the basic financial statements provide additional information necessary to acquire a full understanding of the data presented in the basic financial statements and a means to obtain a more comprehensive assessment of factors affecting the Agency's financial condition.

PENNSYLVANIA HOUSING FINANCE AGENCY

Management's Discussion and Analysis (unaudited – see accompanying auditors' report)
June 30, 2025 and 2024 (amounts rounded)

Analysis of Overall Financial Position and Results of Operations

Comparison of Years Ended June 30, 2025 and 2024

Assets increased by \$755 million from \$7.456 billion to \$8.211 billion. Mortgage loans receivable increased by \$1.319 billion from \$5.547 billion to \$6.866 billion as a result of the Agency utilizing its mortgage revenue bond program to purchase single family mortgages to further increase its single family program loan portfolio and its balance sheet. The balance of capital assets increased by \$1 million when compared to the prior year due to normal operational purchases off-set by annual depreciation. Other assets decreased by \$565 million from \$1.854 billion to \$1.289 billion. The decrease in other assets is primarily attributable to the decrease in cash and cash equivalents and investments of \$584 million due to the purchase of single family mortgages and the disbursement of federal funds for programs administered by the Agency. The decrease in cash and cash equivalents and investments was off-set by a \$19 million net increase in various asset balances. The net increase of \$19 million was a result of the \$12 million increase in capitalized mortgage servicing rights, the increase in accrued mortgage loan interest of \$5 million due to the increase in the single family mortgage loan portfolio, the increase of \$7 million in derivative instruments – interest rate swaps due to the favorable market valuation at June 30, 2025, off-set by the \$5 million decrease in mortgages held for sale.

Deferred outflows of resources decreased by \$17 million from \$40.5 million to \$23.5 million. The decrease was a result of the decrease in pension-related deferred outflows of \$4 million due to the net difference between projected and actual earnings on investments on the current actuarial valuation, a decrease of \$4 million in OPEB-related deferred outflows due to the difference between expected and actual experience and the decrease in the discount rate, and a decrease of \$9 million in the accumulated decrease in the fair value of hedging derivatives.

Total liabilities increased by \$675 million from \$6.615 billion to \$7.290 billion. The net increase was mainly due to the increase in bonds and notes payable of \$833 million, which came as a result of the issuance of single family mortgage revenue bond series 146, 147, and 148 with total proceeds of \$1.130 billion off-set by scheduled and advance debt service of \$285 million and the reduction of original issue premium of \$12 million. These issuances further the Agency's efforts to increase the size of its single family loan portfolio and its balance sheet by purchasing and holding mortgage loans receivable by utilizing capital provided by single family mortgage revenue bonds. The increase in bonds and notes payable was off-set by a \$158 million net decrease in various other liabilities. Other liabilities decreased \$187 million due to the disbursement of federal funds held for programs administered by the Agency, a decrease of \$9 million in derivative instruments – interest rate swaps due to the favorable market valuation at June 30, 2025, a decrease in the net pension liability of \$5 million due to the increase in the valuation of the pension's investments at the valuation date, off-set by an increase in escrow and development reserves of \$21 million, this is due to the increase in the number of multifamily properties and single family mortgages serviced by the Agency and the amount of the required reserves, an increase in accrued interest payable of \$17 million due to the increase in bonds and notes payable and a \$5 million increase in the total OPEB liability.

PENNSYLVANIA HOUSING FINANCE AGENCY

Management's Discussion and Analysis (unaudited – see accompanying auditors' report)

June 30, 2025 and 2024 (amounts rounded)

Deferred inflows of resources decreased by \$1 million from \$55 million to \$54 million. The decrease was due to a decrease of \$10 million in OPEB-related deferred inflows, off-set by a \$2 million increase in pension-related deferred inflows and a \$7 million increase in accumulated increase in the fair value of hedging derivatives.

Total net position as of June 30, 2025 was \$890 million, an increase of \$64 million, over the total net position of \$826 million at June 30, 2024.

Mortgage loan interest increased by \$74 million due to the significant increase in the Agency's single family portfolio of mortgage loans. Other operating revenues increased by \$25 million, primarily due to an increase in program income and fees of \$16 million due to the increase in multifamily program fees, grant funds received and disbursed, and self-insurance fees on single family mortgage loans, along with the increase in the fair value of investments of \$12 million, off-set by the decrease in investment income of \$3 million.

Interest and financing expenses increased by \$68 million due to the increase in bonds and notes payable outstanding during the fiscal year. Other operating expenses increased in total by \$16 million largely due to the \$10 million increase in origination costs and the amortization of closing costs forgivable second mortgages associated with the single family mortgage loan portfolio, the increase of \$4 million in salaries and related benefits, and the \$2 million increase in general and administrative expenses.

Federal program awards and expenses increased by \$165 million primarily resulting from federal funds disbursed for the American Rescue Plan.

Comparison of Years Ended June 30, 2024 and 2023

Assets increased by \$873 million from \$6.583 billion to \$7.456 billion. Mortgage loans receivable increased by \$914 million from \$4.633 billion to \$5.547 billion as a result of the Agency continuing to utilize its mortgage revenue bond program to purchase single family mortgages to further increase its single family program loan portfolio and its balance sheet. The balance of capital assets decreased by \$1.7 million when compared to prior year due to annual depreciation off-set by normal operational purchases. Other assets decreased by \$39 million from \$1.893 billion to \$1.854 billion. The decrease in other assets is primarily attributable to the decrease in investments of \$115 million from the return of principal on investments that matured offset by an increase in cash and cash equivalents of \$70 million from funds held for single family mortgage loan purchases obtained from the issuance of single family mortgage revenue bonds throughout fiscal year 2024. The remaining \$6 million increase in assets is explained by the increase in other noncurrent assets off-set by a decrease in derivative instruments – interest rate swaps, due to the change in market valuation, and mortgages held for sale.

PENNSYLVANIA HOUSING FINANCE AGENCY

Management's Discussion and Analysis (unaudited – see accompanying auditors' report)
June 30, 2025 and 2024 (amounts rounded)

Deferred outflows of resources decreased by \$7.0 million from \$47.5 million to \$40.5 million. The decrease was due to the decrease in pension-related deferred outflows of \$7 million a result of the decrease in net investment income during the current valuation period and a decrease of \$5 million in the in OPEB-related deferred outflows a result of the increase in the discount rate and the change in the health care trend and mortality assumptions. Off-set by an increase of \$5 million in the accumulated decrease in the fair value of hedging derivatives.

Total liabilities increased by \$0.823 billion from \$5.792 billion to \$6.615 billion. The net increase was mainly due to the increase in bonds and notes payable of \$958 million, which came as a result of the issuance of single family mortgage revenue bond series 143, 144, and 145 with total proceeds of \$1.211 billion, off-set by scheduled debt service and advance debt service of \$242 million and the reduction of original issue premium of \$11 million. These issuances further the Agency's efforts to increase the size of its single family loan portfolio and its balance sheet by purchasing and holding mortgage loans receivable by utilizing capital provided by the single family mortgage revenue bonds. Escrow and development reserves increased by \$23 million, this is primarily due to the increase in the number of multifamily properties serviced by the Agency and the increase required reserves. Accrued interest payable increased by \$14 million due to the increase in the balance of bonds and notes payable. Derivative instrument – interest rate swaps increased by \$5 million due to the change in market valuation. The remaining decrease of \$178 million in total liabilities can be explained by a decrease in other liabilities of \$163 million due to the disbursement of federal and state grant funds, a decrease in the total OPEB liability of \$8 million due to the current period OPEB liability valuation which utilized a change in assumptions, including an increase in the discount rate, updated health care trend, and updated mortality assumptions, and a decrease in the net pension liability of \$7 million due to the decrease in net investment income during the current valuation period.

Deferred inflows of resources decreased by \$4.4 million from \$59.6 million to \$55.2 million. The decrease was due to the decrease of \$5 million in accumulated increase in fair value of hedging derivatives and the decrease of \$0.3 million in pension-related deferred inflows off-set by the \$0.4 million increase in OPEB-related deferred inflows and the \$0.5 million increase in unamortized gains on bond refundings.

Total net position as of June 30, 2024 was \$827 million, an increase of \$48 million, over the total net position of \$779 million at June 30, 2023.

Mortgage loan interest increased by \$54 million due to the increase in the Agency's single family portfolio of mortgage loans and an increase in the interest rates on Agency owned mortgages due to the current interest rate environment. Other operating revenues increased by \$35 million, primarily due to an increase in program income and fees of \$15 million due to the increase in grant funds received and disbursed and grant administration revenue earned during the fiscal year, along with the increase in investment income of \$22 million resulting from increased funds held coupled with increased interest rates offset by decreases of \$1 million in the net increase in fair value of swaps and \$1 million in the gain on early extinguishment of debt both due to the interest rate environment and market conditions during the fiscal year.

PENNSYLVANIA HOUSING FINANCE AGENCY

Management's Discussion and Analysis (unaudited – see accompanying auditors' report)

June 30, 2025 and 2024 (amounts rounded)

Interest and financing expenses increased by \$55 million due to the increase in bonds and notes payable outstanding during the fiscal year as well as the increase in interest rates on newly issued mortgage revenue bonds. Other operating expenses increased during the year, the increase was \$9 million. Other operating expenses in total increased largely due to the increase in program expenses of \$20 million resulting from the increase in grant funds received and disbursed, program expenses associated with the administration of various grants, and an increase in the amortization of down payment assistance loans which are forgiven over a period of time. Provision for loan loss and real estate owned increased by \$9 million and general and administrative expenses increased by \$1 million. These increases were off-set by decreases in salaries and related benefits of \$5 million and the net decrease in fair value of investments of \$17 million.

Federal program awards and expenses increased by \$43 million primarily resulting from federal funds disbursed for the Housing Assistance Fund.

For the year ended June 30, 2025, the decrease in the balance of furniture, fixtures and equipment was primarily attributed to the disposal of information technology equipment and furniture; the increase in subscription-based IT arrangements (SBITA) resulted from the capitalization of costs associated with implementation of a cloud-based Financial Management software; the increases in accumulated depreciation is due to annual depreciation expense.

For the year ended June 30, 2024, the increase in the balance attributable to building resulted from building improvement costs incurred during the fiscal year; the increase in the balance of furniture, fixtures and equipment was primarily attributed to the purchase of information technology equipment; the increase in subscription-based IT arrangements (SBITA) resulted from the capitalization of costs associated with implementation of a cloud-based Human Capital Management software; the increases in accumulated depreciation is due to annual depreciation expense.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

1. Organization

The Pennsylvania Housing Finance Agency (“Agency”) was created by the General Assembly of the Commonwealth of Pennsylvania (“Commonwealth”) in 1972 to provide affordable housing for older adults, persons and families of modest means and persons with disabilities. Pursuant to the Housing Finance Agency Law, Act of 1959, P. L. 1688, No. 620 (“Act”), as amended, the Agency is authorized and empowered, among other things, to finance the construction and rehabilitation of housing units for persons and families of low and moderate income, persons with special needs or the elderly, including those who receive assistance from federal government programs.

The Act was amended to authorize the Agency to make or purchase mortgage loans used to finance the purchase, construction, improvement or rehabilitation of owner-occupied single-family residences and to finance the construction and rehabilitation of housing units without requiring the housing units to be subsidized or assisted by a federal government program. The initial legislation and subsequent amendments grant the Agency the power to issue debt in order to finance its programs and operations. Debt obligations issued under the provisions of the Act are not a debt or liability of the Commonwealth or any of its political subdivisions or a pledge of the faith and credit of the Commonwealth or of any of its political subdivisions. Additional powers have been provided by the General Assembly over the years to expand the Agency’s authority and to encourage related community activities.

The Board of the Agency sets policy and oversees the organization’s operations. The Board has 14 members. The Secretary of Banking and Securities (chair), the Secretary of Community and Economic Development, the Secretary of Human Services and the State Treasurer serve by virtue of their offices. Four members of the Board serve at the pleasure of the majority and minority leaders of the State Senate and House of Representatives. Six private citizen members are appointed by the Governor, confirmed by the State Senate, and serve for staggered six-year terms or until their successors are appointed.

The Agency is a component unit of the Commonwealth, as defined by the Governmental Accounting Standards Board (“GASB”) – the source of generally accepted accounting principles used by State and Local governments in the United States. The Agency’s financial information is discretely presented in the Commonwealth’s financial statements, but the Agency is not considered part of the Commonwealth’s primary government.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

2. Summary of Significant Accounting Policies

Basis of Accounting

The Agency presents its financial statements in accordance with U.S. Generally Accepted Accounting Principles ("GAAP"), as established by GASB. For financial reporting purposes, the Agency is considered a special-purpose government engaged in business-type activities. The financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when incurred. All significant intra-Agency transactions have been eliminated.

Fiduciary Statements

The Pennsylvania Housing Finance Agency Employees' Retirement Plan is accounted for as a fiduciary activity and disclosed on the Agency's statements of fiduciary net position and statements of changes in fiduciary net position.

The statements of fiduciary net position provide information about the Agency's fiduciary activity: Pennsylvania Housing Finance Agency Employees' Retirement Plan at the end of its fiscal year.

The statements of changes in fiduciary net position provide information about the additions and deductions of the Agency's fiduciary activity: Pennsylvania Housing Finance Agency Employees' Retirement Plan in order to measure the results of the fiduciary activity's operations at the end of its fiscal year.

The fiduciary activity and its results are not presented within the Agency's business-type activities.

Description of Programs

The Agency accounts for its lending and operating activities in various programs based upon management designations and for ease of accountability, summarized as follows:

General Activities – Consists of a group of accounts used to record income and expenses that are not directly pledged to or associated with the programs described below, and includes activity related to various Agency programs and initiatives, including loan servicing and the payment of expenses related to the Agency's administrative functions.

Multifamily Housing Program ("Multifamily Program") – Records the activity related to financing the construction, rehabilitation or operational expenses of multifamily rental housing developments generally designed for persons or families of low and moderate income or the elderly.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Single Family Mortgage Loan Program (“Single Family Program”) – Records the activity related to providing capital for the purchase and servicing of mortgage loans for owner-occupied single-family residences for persons or families of low and moderate income.

Insurance Program – The Agency provides primary mortgage insurance coverage through this program to cover the risk of mortgage default for certain single-family borrowers.

Homeowners’ Emergency Mortgage Assistance Program (“HEMAP”) – Created by Act 91 of 1982 (as later amended) by the Pennsylvania General Assembly to provide emergency mortgage assistance loans to mortgagors facing foreclosure due to circumstances beyond their control. HEMAP’s primary operating revenues are derived from funding received from the Commonwealth and from program repayments and income from investments, and are reported as a component of Program Income and Fees within the Agency’s financial statements.

Fair Value Application and Measurement

Fair value is applied to assets and liabilities that the Agency holds primarily for the purpose of income or profit and that have a present service capacity based solely on their ability to generate cash or to be sold to generate cash. The Agency categorizes its fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based upon valuation inputs used to measure the fair value of the respective asset or liability. Level 1 inputs include quoted prices in active markets for identical assets; Level 2 inputs include observable inputs other than quoted prices included in Level 1 inputs; Level 3 inputs include unobservable inputs.

Cash and Cash Equivalents

Cash includes currency on hand and currency equivalents that may be accessed immediately or near-immediately. Cash equivalents are defined as short-term investments with original maturities of three months or less that are readily convertible to known amounts of cash. Agency cash and cash equivalents consist of demand deposit checking and savings accounts, cash held in trust and money market funds.

Investments

Investments are reported at fair value, determined by reference to published market prices and quotations. Changes in fair values are recognized separately within the Statement of Revenues, Expenses and Changes in Net Position.

Restricted Cash, Cash Equivalents and Investments

Restricted cash, cash equivalents and investments consist of cash, cash equivalents and investments restricted primarily by escrow agreements, bond resolutions, debt servicing agreements, creditor agreements or other contractual agreements. The Agency collects mortgage payments on behalf of mortgagees for whom the Agency acts as a servicer. The Agency holds monies from multifamily property owners and single-family homeowners for payments of real estate taxes, property insurance and operating reserves, and has recorded a corresponding

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

liability related to these balances. The Agency maintains certain balances of cash, cash equivalents and investments, restricted as to their use, in order to comply with bond debt capital reserve and self-insurance requirements and certain investor or creditor covenants.

Mortgage Loans Receivable, Net

Mortgage loans receivable consist primarily of single family and multifamily loans. The current portion of mortgage loans receivable represents the contractual amount due within the forthcoming year.

Mortgage loans that the Agency has the ability and intent to hold for the foreseeable future are deemed to be held for investment and are valued at amortized cost. Amortized cost includes the balances of principal outstanding, unamortized premiums and discounts and capitalized origination costs and fees. Mortgage loans held-for-investment also have an allowance for loan loss applied as needed.

Mortgage loans that the Agency has the ability and intent to sell within the foreseeable future are deemed to be held for sale and are reported at the lower of cost or fair value, determined on an individual basis by loan type as of the date of the financial statements. Mortgage loans held for sale include loans subject to investor purchase commitments (committed loans) and loans held on a speculative basis (uncommitted loans). Fair value of committed loans is based upon commitment prices; fair value of uncommitted loans is based upon the market in which the mortgage banking activity operates. Amounts, if any, by which cost exceeds fair value are included within an allowance for loan loss.

The allowance for loan loss represents an adjustment applied to the balances of mortgage loans receivable in order to reflect amounts deemed collectible, using management's best estimate of probable losses inherent in the portfolio and evaluation of the underlying loans and their likelihood of becoming real estate owned. The allowance for loan loss is based upon the Agency's best information available under the circumstances, including the estimated market values of the properties representing collateral, mortgage insurance coverage on the collateral, the financial condition of the respective borrower, government guarantees and the economy as a whole.

Mortgage servicing rights/servicing release premiums are amortized over the life of the related loans using the effective interest method, and include servicing rights associated with both mortgages owned by the Agency and mortgages sold by the Agency for which servicing rights were retained. Mortgage servicing rights retained for underlying loans sold by the Agency are reported at the lower of amortized cost or fair value.

Troubled Debt Restructuring

A troubled debt restructuring occurs when a creditor, for economic or legal reasons related to a debtor's financial difficulties, grants a concession to a debtor experiencing financial difficulties that the creditor would not otherwise consider. Regardless of the form of concession granted by the creditor to the debtor in a troubled debt restructuring, the creditor's objective is to assist the

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

debtor in a difficult situation – the creditor expects to receive a return on investment or increase the probability of receipt of payment by granting the concessions than by not granting them. When conducted in a prudent manner, modifications of problem loans can serve the interests of both the creditor and the debtor and can lead to improved loan performance and reduced credit risk. In some instances, loan modifications are mandated by federal insurance programs. The Agency engages in troubled debt restructuring activities by affording modifications to the terms and interest rates of certain mortgage loans.

Real Estate Owned

Real estate owned represents single-family real estate acquired as a result of foreclosure, acceptance of a deed in lieu of foreclosure or other defaults of nonperforming mortgage loans. Balances of real estate owned approximate net realizable value, based upon actual recoveries for similar asset disposals resulting from anticipated mortgage insurance settlement proceeds or estimated sales prices less costs to sell. Net realizable values of real estate owned also include an allowance for losses attributable to potentially foregone interest and corporate and escrow advances.

Capital Assets

Capital assets are valued at historical cost. The Agency capitalizes assets with an initial cost of \$1 (one-thousand dollars) or more. Depreciation is calculated using the straight-line method over the estimated useful lives, which are 5 years for furniture, fixtures and equipment and 45 years for the Agency's building. When capital assets are disposed, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recorded.

Other Assets

Other assets include federal and Pennsylvania grant and program funding receivable and prepaid expenses.

Deferred Outflows of Resources

Deferred outflows of resources include OPEB-related deferred outflows, which result from the Agency's post-employment healthcare benefits plan ("OPEB Plan"); pension-related deferred outflows, which result from the Agency's Employees' Retirement Plan ("Pension Plan") and Governmental Excess Benefit Plan ("Excess Plan") (collectively "Pensions" or "Pension Plans"); and the accumulated decrease in fair value of hedging derivatives. OPEB-related and Pension-related deferred outflows of resources represent differences between expected and actual experience, changes in assumptions and amounts resulting from contributions made during the Agency's fiscal year subsequent to the OPEB Plan's or Pension Plan's measurement dates. Deferred outflows of resources are recognized over a closed period and are amortized over the remaining average service life of all active and inactive employees who are provided OPEB or Pensions through the aforementioned plans.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Bonds and Notes Payable, Net

The Agency issues bonds and notes to provide capital for its mortgage programs and other uses consistent with its mission. The resultant debt is a general obligation of the Agency, and is secured and payable by the respective mortgage loans, investments, other assets and revenues within the respective programs or accounts established by the associated bond indentures. Bonds and notes payable are stated at their outstanding balances plus any unamortized premiums less any unamortized discounts. The current portion of bonds and notes payable represents the scheduled principal payable within the forthcoming year.

Escrow Deposits and Development Reserves

Escrow deposits represent balances of receipts from Single Family Program homeowners and Multifamily Program developments for anticipated payments of real estate taxes, property insurance and mortgage insurance. Development reserves represent cash held on behalf of owners of multifamily properties for repairs and replacement, property improvements, supportive services and potential operating deficits experienced by Multifamily Program developments.

Derivative Instruments – Interest Rate Swaps

The Agency enters into interest rate swap agreements (“swaps”) with various counterparties to hedge the interest rate exposure associated with variable rate debt and to reduce overall borrowing costs. Swaps are structured whereby the Agency pays a fixed interest rate to a counterparty in exchange for the same counterparty paying to the Agency a variable interest rate, which is established based upon a common market index.

Swaps are reported at fair value and are classified as either hedging derivatives, amended hedging derivatives or investment derivatives. Hedging derivatives include swaps with critical terms that have not changed since their inception. Amended hedging derivatives include swaps with critical terms that have since been amended. The changes in fair values of hedging derivatives and amended hedging derivatives are reported as accumulated decrease in fair values of hedging derivatives on the Balance Sheet, which equal the values of the corresponding swaps. Investment derivatives include swaps that are not considered to be effective hedges; the changes in fair values of investment derivatives are reported as a net increase or decrease in the fair value of swaps and recognized as a revenue or expense.

Total OPEB Liability

The Agency is required to measure and disclose amounts relating to total OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, OPEB expense and the fiduciary net position of the Agency’s OPEB Plan. The Agency does not fund its OPEB liability; rather, the Agency provides health insurance for its retirees on a pay-as-you-go basis, therefore, the OPEB Plan has no fiduciary net position.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Net Pension Liability

Net pension liability represents the portion of the present value of projected benefit payments attributed to past periods of service to be provided through the Agency's Pensions to current active and inactive employees less the fiduciary net position of the Pensions. It represents the Agency's total pension liability less the fiduciary net position available to pay that liability. Investments included within fiduciary net position are reported at fair value.

Other Liabilities

Other liabilities consist mainly of unearned revenues, unearned federal funding, amounts due to Pennsylvania State Employees Retirement System ("SERS") and accrued expenses.

Deferred Inflows of Resources

Deferred inflows of resources include net unamortized gains (losses) on bond refundings, which are amortized over the shorter of the remaining life of the old debt or the life of the new debt; OPEB Plan-related and Pension Plan-related deferred Inflows, which represent the difference between projected and actual earnings on investments within the Agency's Pensions, are recognized over a closed period and are amortized over a 5-year period, the difference between expected and actual experience, and changes in assumptions are recognized over a closed period and are amortized over the remaining average service life of all active and inactive employees who are provided OPEB or Pensions through the aforementioned plans; and the accumulated increase in fair value of hedging derivatives, which represents the anticipated future utilization of the value of interest rate swap agreements deemed to be effective hedging derivatives.

Net Position

Net position is classified in the following three components:

Net Investment in Capital Assets – Consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any debt attributable to the acquisition, construction or improvement of those assets.

Restricted – Consists of assets with constraints placed on their use by laws, regulations, Agency bond resolutions or external groups, such as creditors or grantors.

Unrestricted – Consists of assets that do not meet the definition of Net Investment in Capital Assets or Restricted. This component includes assets designated for specific purposes by the actions of the Board.

When both restricted and unrestricted resources are available, it is the Agency's policy to use restricted resources to the extent allowed and only use unrestricted resources when needed.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Classification of Revenues and Expenses

Operating revenues include all revenue from mortgage and loan activity, mortgage servicing, investment income and gains on the sale of pooled loans via the Government National Mortgage Association (“GNMA”) and the Federal National Mortgage Association (“FNMA”). Operating revenues also include amounts received for the grant programs, which includes administrative fees for the oversight of award distribution, monitoring of subrecipients and reporting to federal and Commonwealth agencies and allocations for the costs of required independent annual audits of federal awards expended. The costs of mortgage loan servicing, investment and grant programs are reported as operating expenses.

Non-operating revenues and expenses include federal program awards and the corresponding direct program costs for which those awards are received and recognized, and consist primarily of pass-through amounts related to the Agency’s role as contract administrator of the U.S. Department of Housing and Urban Development’s (“HUD”) Section 8 subsidy program.

Interest Income on Mortgage Loans

Interest received for mortgage loans is based upon the constant yield method. Interest accrues on performing and nonperforming loans for up to 150 days or until the underlying obligation is satisfied or the associated property is sold, foreclosed-upon or transferred to another entity.

Investment Income

Investment income includes net receipts and payments associated with swaps deemed to be investment derivatives, gains or losses on sales of investments and investment interest income.

The Agency participates in the GNMA and FNMA mortgage backed securities programs, whereby GNMA or FNMA guarantees securities that are issued by the Agency and backed by pools of mortgage loans. Gains on sales of MBSs are recorded at the time of settlement and represent the difference between the sale price of the MBSs and the carrying value of the underlying pool of mortgages backing them.

Pension and Other Postemployment Benefits Expense

Pension expense and other postemployment benefit expense are reported as salaries and related benefits and represent the estimated cost of the benefits earned by employees during the period, with the addition or subtraction of amounts that are deferred and amortized into expense over time as required by GAAP.

Compensated Absences

The liability for compensated absences reported in the government-wide statements consists of leave that has not been used that is attributable to services already rendered, accumulates and is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. The liability also includes amounts for leave that has been used for time off but has not yet been paid in cash or settled through noncash means and certain other types of leave.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Debt Issuance Costs, Discounts and Other Related Costs

Costs related to bond and note issuance are expensed when incurred. Bond discounts and premiums are amortized over the lives of the corresponding bonds using the effective interest method. Net swap agreement payments are recorded as a component of interest expense on bonds and notes.

Adopted Accounting Standards

In June 2022, the Governmental Accounting Standards Board (GASB) issued GASB Statement No. 101, *Compensated Absences*. This standard updates the recognition and measurement guidance for compensated absences aligning them under a unified model.

The Agency adopted the requirements of the guidance effective July 1, 2023 and has applied the provisions of this standard to the beginning of the period of adoption. The adoption of GASB 101 standard resulted in no change to the Agency's accrual of compensated absences.

In December 2023, GASB issued GASB Statement No. 102, *Certain Risk Disclosures*. This standard did not have an impact on the Agency's financial statement disclosures.

Accounting Standards Issued But Not Yet Adopted

GASB issued the following Statements that will become effective in future reporting periods. Management is currently evaluating the potential impact on the Agency's financial statements.

- GASB Statement No. 103, *Financial Reporting Model Improvements*, issued April 2024, effective for the Agency's fiscal year ending June 30, 2026.
- GASB Statement No. 104, *Disclosure of Certain Capital Assets*, issued September 2024, effective for the Agency's fiscal year ending June 30, 2026.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

3. Cash, Cash Equivalents and Investments

Cash and Cash Equivalents

Cash and cash equivalents are reported at fair value, measured by Level 1 inputs based upon quoted prices in active markets. The Agency maintains a policy whereby cash and cash equivalents must be held in insured depositories satisfactory to the Agency. Balances of cash and equivalents at June 30, 2025 and 2024 were as follows:

	<u>2025</u>	<u>2024</u>
Cash	\$ 754,077	\$ 1,278,009
Money market accounts	22,246	21,040
Total carrying amount of cash and cash equivalents	<u>\$ 776,323</u>	<u>\$ 1,299,049</u>
Bank balance of cash and cash equivalents	<u>\$ 780,204</u>	<u>\$ 1,301,197</u>

Custodial Credit Risk

The Agency assumes levels of custodial credit risk for its cash and cash equivalents with financial institutions. Custodial credit risk is the risk that, in the event of a bank failure, the Agency's cash and cash equivalents may not be returned. The Agency has not established a formal custodial credit risk policy for its cash and cash equivalents.

At June 30, 2025 and 2024, the book value of the Agency's cash deposits equaled \$754,077 and \$1,278,009 respectively, with corresponding bank balances equal to \$757,957 and \$1,280,157, respectively, of which \$756,456 and \$1,278,656, respectively, was uninsured but collateralized in accordance with Act 72 of the Commonwealth of Pennsylvania by securities held by the pledging financial institution, its trust department or agent, but not in the Agency's name.

At June 30, 2025 and 2024, the fair value of the Agency's money market accounts, reported as cash equivalents, equaled \$22,246 and \$21,040, respectively, with corresponding bank balances equal to \$22,247 and \$21,040, respectively. These do not expose the Agency to custodial credit risk because they represent investments in open-end mutual funds and are held in the name of the Agency by a party other than the issuer of the security.

Investments

Commonwealth of Pennsylvania statutes and contractual provisions contained within the Agency's bond trust indentures govern the investment policies of the Agency. The Housing Finance Agency Law, 1959, Dec. 3, P.L. 1688 as amended Dec. 5, 1972, P.L.1259, No. 282 and bond indentures provide the authority to invest all Agency funds. In compliance with the Act and bond indentures, it is the policy of the Agency to invest in securities that provide suitable returns, preserve principal, meet liquidity needs and further the mission of the Agency.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Fair Value

Fair value of the Agency's investments are measured by Level 2 inputs based upon quoted prices for identical or similar assets in markets that are not active or other observable inputs such as interest rates and yield curves observable at commonly quoted intervals. Balances of the Agency's investments at June 30, 2025 and 2024 were as follows:

Investment	2025	2024
	Level 2	Level 2
Federal Agricultural corporate bonds	\$ 32,752	\$ 54,471
Federal Farm Credit Bank bonds	81,669	75,184
Federal Home Loan Bank bonds	67,311	115,759
Federal Home Loan Mortgage Corp corporate bonds	32,951	28,252
FNMA corporate bonds	17,013	21,556
FNMA multifamily pools	14,988	14,507
GNMA IO strips	2,523	2,800
GNMA mortgage-backed securities	27,094	29,897
Tennessee Valley Authority bonds	75,256	70,693
	<u>\$ 351,557</u>	<u>\$ 413,119</u>

In addition to the amounts listed above, the Agency held money market accounts with a fair value of \$22,246 and \$21,040 at June 30, 2025 and 2024, respectively, reported as cash equivalents.

Credit Risk

The Agency mitigates its credit risk by limiting investments to those permitted in its deposit and investment policies, diversifying the investment portfolio and prequalifying firms with which the Agency conducts its investment activities.

The credit quality ratings of the Agency's investments for the years ended June 30, 2025 and 2024, as determined by Moody's Investors Service, are shown below. Amounts reported therein are comprised of securities implicitly guaranteed by the U.S. Government. At June 30, 2025 and 2024, \$29,617 and \$32,697, respectively, of U.S. Government Agency mortgage-backed securities and IO strips, which are explicitly guaranteed by the U.S. Government, were not considered to have credit risk and, therefore, are not included in the summary.

Tennessee Valley Authority bonds	75,256	70,693	Aa1
Total	<u>\$ 321,940</u>	<u>\$ 380,422</u>	

Money market accounts with fair values of \$22,246 and \$21,040 at June 30, 2025 and 2024 respectively, that were held by the Agency and reported as cash equivalents were rated as follows by Moody's or Standard and Poor's (S&P) Investors Service:

Moody's / S&P's Rating	Fair Value	
	2025	2024
AAA	\$ 22,247	\$ 21,040

Custodial Credit Risk

Custodial credit risk is the risk that, in the event of failure of the custodian or counterparty holding the investment, the Agency will not be able to recover the value of the investment. The Agency has not established a formal custodial credit risk policy for its investments. All of the Agency's investment balances are in book-entry form in the Agency's name and are held by bank trust departments, acting as the counterparty; accordingly, these investments are not subject to custodial credit risk.

Concentration of Credit Risk

Concentration risk is the risk of loss attributed to the magnitude of the Agency's investment in a single investment issuer. The Agency has various maximum investment limits both by the type of investment and by issuer to prevent inappropriate concentration of credit risk. At June 30, 2025 and 2024, the Agency had the following concentrations of credit risk:

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Investment Issuer	2025		2024

	<u>\$ 351,557</u>	<u>100.00%</u>	<u>\$ 413,119</u>	<u>100.00%</u>

Interest Rate Risk

The Agency's investment policy does not limit investment maturities as a means of managing its exposure to fair value losses arising from changing interest rates. Investments in mortgage-backed securities and other fixed income investments are sensitive to interest rate changes. For the years ended June 30, 2025 and 2024, the Agency had investments with the following maturities:

Investment Type	2025				
	Fair Value	Investment Maturities (in Years)			
		Less than 1	1-5	6-10	More than 10
U.S. Government Agency Mortgage-backed Securities	\$ 44,605	\$ -	\$ -	\$ 8,464	\$ 36,141

Securitizations, Gains on the Sale of Mortgage-Backed Securities and Mortgages Held for Sale

During the years ended June 30, 2025 and 2024, the Agency securitized mortgage loans with a principal balance of \$5,184 and \$5,487, respectively, into MBSs through GNMA or directly to FNMA through their cash window. MBSs are either sold to private investors or purchased by the Agency. Ongoing revenue for the Agency is generated from servicing the loans pooled into MBSs, which is reported as program income and fees, and by gains derived from the sale price less the value of the underlying mortgages of the MBSs at the time of settlement. Total gains on the sale of MBSs for the years ended June 30, 2025 and 2024 equaled \$42 and \$48, respectively. Mortgages held for sale are reported at fair value measured by Level 2 inputs based upon observable quoted prices of similar assets. Mortgages held for sale totaled \$44,189 and \$49,214 at June 30, 2025 and 2024, respectively.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Mortgage Loan Collateral and Insurance Coverage

General Activity mortgage loans receivable represent amounts disbursed through the Agency's Mixed-Use Facility Financing Initiative ("MUFFI"), Homeownership Choice Program ("HCP") and Revised Community Leveraging Assistance Initiative Mortgage ("ReCLAIM"). The loans are not insured, but they are secured by promissory notes and mortgages on the associated properties.

Multifamily Program mortgage loans receivable are not insured, but are collateralized by mortgages on the related projects. The federal government subsidizes certain projects included in the Multifamily Program mortgage loan portfolio.

At June 30, 2025 and 2024, the Agency's Single Family Program mortgage loan servicing portfolio equaled \$7.7 billion and \$6.5 billion, respectively; this included the balances of mortgage loans reported as assets by the Agency and insured loans that have been sold through MBSs, which are not reported as Agency assets but represent loans for which the Agency purchased and retained servicing rights, see note 6. Single Family Program mortgage loans are secured by liens on the related real property, and private mortgage insurance is generally required on all mortgage loans where the loan principal amount exceeds 80% of the lesser of the purchase price or the initial appraised value of the property. Private mortgage insurance for Single Family Program mortgage loans is provided by commercial companies, the Agency's Insurance Program, certain federal programs through the Federal Housing Administration ("FHA"), United States Department of Veterans Affairs ("VA") and United States Department of Agriculture – Rural Development ("RD"), FNMA and varying other sources. At June 30, 2025 and 2024, insurance coverage associated with Single Family Program mortgage loan servicing portfolio included the following:

	2025		2024	
Commercial Insurance	\$ 140,998	1.83%	\$ 159,606	2.45%
PHFA Insurance Program	2,701,196	34.97%	1,978,533	30.40%
FHA	2,986,195	38.66%	2,717,207	41.75%
VA	221,685	2.87%	182,545	2.81%
RD	531,390	6.88%	513,770	7.89%
FNMA	204,512	2.65%	225,000	3.46%
Uninsured	937,713	12.14%	730,898	11.23%
Total Single Family				
Program Servicing	<u>\$ 7,723,689</u>	<u>100.00%</u>	<u>\$ 6,507,559</u>	<u>100.00%</u>

HEMAP loans are emergency loans provided to mortgagors facing foreclosure, are not insured and are unsecured, being in a second or third lien position; hence, HEMAP loans are not included in the above listing.

Loan Delinquency and Foreclosure

At June 30, 2025 and 2024, no mortgage loans reported within General Activities were either delinquent or in pending foreclosure actions.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

At June 30, 2025 and 2024, the principal balance of Multifamily Program primary mortgage loans delinquent 91 days or greater for which the Agency was exposed to some level of loss equaled \$0 and no Multifamily Program mortgage loans were in pending foreclosure actions.

At June 30, 2025 and 2024, the principal balances of Single Family Program mortgage loans delinquent 91 days or greater for which the Agency was exposed to some level of loss equaled \$166,562 and \$151,763, respectively. Included within these June 30, 2025 and 2024 balances of loans delinquent 91 days or greater were loans with pending foreclosure actions with aggregate principal balances of \$42,864 and \$34,481, respectively.

At June 30, 2025 and 2024, the principal balance of HEMAP mortgage loans delinquent 91 days or greater equaled \$14,156 and \$17,080, respectively.

Allowance for Loan Loss

The allowances for loan losses at June 30, 2025 and 2024 consisted of the following:

2025					
	General	Multifamily	Single		
	Activities	Program	Family	HEMAP	Total
			Program		
Beginning balance	\$ 5,743	\$ 94,918	\$ 14,707	\$ 23,600	\$ 138,968

Mortgage-Backed Security Repurchase Reserve

Mortgage loans securitized into MBSs through either GNMA or FNMA (“securitized loans”) are not included in the Agency’s financial statements. If a borrower fails to make a timely payment on a mortgage loan, the Agency must use its own funds to ensure that holders of Agency-issued MBSs receive timely payment. In circumstances of significant borrower delinquency, the Agency will repurchase a securitized loan from its respective MBS. Repurchased mortgage loans are included in the Agency’s financial statements; as a result, the risk of loss, net of mortgage insurance, associated with these loans is considered in management's routine evaluation of the allowances for loan losses and the Agency has, therefore, established a repurchase reserve for these securitized loans. Securitized loans repurchased by the Agency totaled \$3,662 and \$4,319 for the years ended June 30, 2025 and 2024, respectively, and the Agency’s repurchase reserve for securitized loans equaled \$2,633 and \$2,356 at June 30, 2025 and 2024, respectively.

5. Real Estate Owned by the Agency

Real estate owned by the Agency included 121 properties with a net realizable value of \$9,595 at June 30, 2025 and 116 properties with a net realizable value of \$10,607 at June 30, 2024.

6. Mortgage Servicing Rights/Service Release Premiums

The Agency pays a fee to its participating lenders for the release of mortgage servicing rights associated with each mortgage loan it purchases for its Single Family Mortgage Loan Program. During the years ended June 30, 2025 and 2024, the Agency capitalized mortgage servicing rights/service release premiums totaling \$15,105 and \$13,699, respectively. Amortization and disposition of mortgage servicing rights/servicing release premiums totaled \$4,519 and \$4,641 for the years ended June 30, 2025 and 2024, respectively.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Unamortized mortgage servicing rights, relating to loans sold by the Agency for which the Agency retained the servicing rights, totaling \$7,316 and \$8,280 were outstanding at June 30, 2025 and 2024, respectively. Mortgage servicing rights are included within mortgage loans receivable, net on the balance sheets.

Service release premiums, relating to loans purchased by the Agency, totaling \$58,579 and \$45,488 were outstanding at June 30, 2025 and 2024, respectively. Service release premiums are included within other noncurrent assets on the balance sheets.

7. Capital Assets

Capital assets activity for the years ended June 30, 2025 and 2024 and a summary of balances were as follows:

	<u>July 1, 2024</u>	<u>Additions</u>	<u>Disposals</u>	<u>June 30, 2025</u>

Depreciation and amortization expense for the years ended June 30, 2025 and 2024 totaled \$3,796 and \$5,071, respectively.

8. Bonds and Notes Payable

The Agency issues bonds and notes payable to finance its lending programs. Proceeds from long-term debt of the Multifamily Program and Single Family Program are used to fund Multifamily and Single Family mortgage loans. General Activities long-term debt is used to finance the Agency's headquarters in Harrisburg, Pennsylvania.

Interest on bonds and notes payable is payable semi-annually. Interest rates on variable rate debt reset on a quarterly, monthly or weekly basis. Interest paid on indexed floating-rate tax-exempt bonds is closely correlated with the Securities Industry and Financial Markets Association Municipal Swap ("SIFMA") rate. At June 30, 2025, variable interest rates payable ranged from 2.00% to 4.04%. At June 30, 2024, variable interest rates payable ranged from 3.85% to 4.88%.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

bps - basis points

* - All or a portion of the balances of these bonds payable include variable rate demand obligations, discussed in detail in the following section of this note.

** - The bond series includes direct placement bonds under the SF indenture which are secured on parity with all other outstanding bonds under the same SF Indenture and there are no terms of the SF Indenture that are unique to those direct placement bonds.

Collateralized Borrowing

The Agency has an agreement with FHLB for collateralized borrowings in an amount equal to the market value of pledged securities less an applicable collateral discount for the security type (the "FHLB Agreement"). Such pledged securities are held in a collateral trustee account at US Bank. Borrowed amounts under the FHLB Agreement bear an interest rate that is applicable to the tenor and structure of the borrowing. Borrowing tenors available under the FHLB Agreement range from overnight to a 30 year term along with varying amortization structures such as fully amortizing or principal due at maturity. Amounts drawn under the FHLB Agreement bear interest at similar or identical rates charged by the FHLB to its member banks. The total borrowing capacity at June 30, 2025 and 2024 was \$66,441 and \$63,023. As of June 30, 2025 and 2024, the Agency had \$0, of short-term debt outstanding with the FHLB.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Assets Pledged for Collateral

The Agency has bonds outstanding under its 1982 single family bond indenture (the “SF Indenture”). The bonds issued and outstanding under the SF Indenture are general obligation bonds backed by the full faith and credit of the Agency and payable from and secured by a pledge of revenues (defined to include principal and interest due on all mortgage loans financed by such bonds, exclusive of fees payable for servicing the mortgage loans), as well as a pledge of the mortgage loans and a pledge of all amounts and investments on deposit in funds and accounts established by the SF Indenture. Such pledges are subject to the rights of the Trustee (U.S. Bank Trust Company, NA) and the Agency with respect to rights or the exercise of remedies upon events of default, defeasance, administration of the mortgage loans, the use of moneys for the making of new mortgage loans, the making of investments and the redemption of bonds, requirements of tax code, and the release of certain moneys to the Agency for its general use, all as set forth in the SF Indenture.

Variable Rate Demand Obligations

The balances of certain Single Family Program bonds payable include variable rate demand obligations (“VRDO”). Interest rates on these VRDO’s reset on a weekly basis, and VRDO’s may be redeemed at the holder’s option. Standby purchase agreements are utilized in the event these VRDO’s are unable to be successfully remarketed and/or become held by the standby purchase agreement provider as a term loan to the Agency. Details of certain Agency VRDO standby purchase agreements at June 30, 2025 were as follows:

Bond Issue	Liquidity		Expiration Date	Bond Balance
	Provider at June 30, 2025	Effective Date		Outstanding at June 30, 2025
2020-132B	TD Bank	9/29/2020	6/20/2030	30,000
2023-141B	RBC Bank	2/17/2023	2/16/2028	80,000
			Total	<u>\$ 110,000</u>

There were no failed remarketings or resultant liquidity draws during the years ended June 30, 2025 and 2024. Upon the occurrence of a failed remarketing, the liquidity providers would be afforded the opportunity to exercise term-out provisions embedded within the standby purchase agreements, which call for payment of debt service on an accelerated basis at a rate of interest higher than the existing weekly mode. The provisions of each term-out agreement and potential debt service requirements at June 30, 2025, if the term-out agreements were exercised and assuming a term-out commencement date of July 1, 2025, respectively, were as follows:

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Early Extinguishment of Debt

During the years ended June 30, 2025 and 2024, the Agency redeemed principal amounts of certain bonds and notes totaling \$125,550 and \$116,070, respectively, prior to their scheduled maturity. The early extinguishments were enabled by the refunding proceeds resulting from the issuance of certain single family mortgage revenue bonds and through the use of mortgage prepayments received from borrowers. The early extinguishments of debt resulted in net gains for the years ended June 30, 2025 and 2024 totaling \$5,223 and \$4,405, respectively. Gains or losses on early extinguishments of debt arise because of the immediate recognition of original issuance discounts or premiums that would have otherwise been amortized over the life of the related bond issues had they not been retired prior to scheduled maturity.

Current Refunding***Year Ended June 30, 2025***

During the year ended June 30, 2025, the Agency did not have any bond refundings.

Year Ended June 30, 2024

During the year ended June 30, 2024, the Agency did not have any bond refundings.

Hedging Derivative Instrument Payments and Hedged Debt

Debt service requirements of the Agency's outstanding variable rate debt and net swap payments of the associated derivative instruments at June 30, 2025 are displayed in the following schedule. The following incorporates variable rate values at June 30, 2025, which are subject to change in future periods. The net swap payment equals the difference between the fixed rate of interest paid to the counterparties and the variable rate of interest received by the Agency. See note 9 Derivatives for further information relative to derivative instruments.

June 30, 2025				
Fiscal Year Ending June 30	Hedged	Hedged	Net Swap Payments	Total
	Variable Rate Bond Principal	Variable Rate Bond Interest		
2026	2,000	4,773	1,822	8,595

Conduit Debt Obligations

During the year ended June 30, 2025, the Agency issued First and Market, Maple Village, New Pennley Revitalization, Skyview Park, and TC5 LP special limited obligation multifamily housing development bonds in order to provide financing for the construction or preservation of affordable multifamily housing. The bonds are secured by the properties financed and are payable from income generated by the properties.

Conduit debt issued in prior years with balances outstanding at June 30, 2025 and 2024 include:

Awbury View Apartments, Bedford Dwellings, Belmont Specialty, Bennett Place, Berkshire Gardens, Breslyn House Apartments, Bethlehem Townhouses Series A and B, Brinton Manor/Towers Apartments, Cambridge Square Series 2023 A and B, Cap Fund Securitization Rev Bonds Series 2005A, Carl Mackley Apartments, Carson Towers Apartments, Chester County Preservation Initiative, City's Edge, Connelly Manor, Country Commons Apartments, Donora Towers, Four Freedoms House and Philip Murray House, Foxwood Manor Apartments, Glen Hazel RAD, Greenview Garden Apartments, Hanover Village Preservation, Harlan Sharswood Redevelopment, Hershey Plaza Apartments, John Fox Towers, Keystone Terrace Associates, Lehigh Park Apartments, Liberty House Preservation, Linden Terrace, Manchester Redevelopment, Mary Field Sr Apartments, Methodist Towers Series A and B, Mid City Apartments, Monument Village Series A, Norris Homes Phase V, North Central CNI, Northside Residences III, Parkview Knoll Apartments, Pleasant Valley Apartments, Presbyterian Portfolio, Rafael Porrata-Doria Place, Redeemer Village, Sandy Hill, Sharswood Place III Part 1, 2, and 3, Sharpsburg Towers, Sheptytsky Arms Apartments, Urban Allied Portfolio Series M1 and M2, Wister Townhouses, and York Towne House Apartments special limited obligation multifamily housing development bonds in order to provide financing for the construction or preservation of affordable multifamily housing. The bonds are secured by the properties financed and are payable from income generated by the properties.

The bonds discussed above represent conduit debt obligations and do not constitute a debt, guarantee or pledge of the faith and credit of the Agency. Accordingly, they have not been reported in the accompanying basic financial statements. At June 30, 2025 and 2024, conduit debt outstanding aggregated \$612,850 and \$802,425, respectively.

Bond Covenants

Significant bond covenants of the Agency include a capital reserve requirement and a self-insurance requirement for the Single Family Program bonds. The capital reserve requirement for the Single Family Program bonds obliges the Agency to maintain a balance of funds equal to at least 3% of the aggregate principal amount of all Single Family Program bonds outstanding plus one million dollars, of which one million dollars is required to be invested in securities having a maturity of a year or less. The self-insurance requirement for the Single Family Program bonds

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

obliges the Agency to maintain a balance of funds equal to the following percentages of outstanding principal amounts of mortgage loans funded from the following respective series:

Series I and J:	2.00%
Series K:	1.10%
Series L through Series 2006-96:	2.00%

The Agency is not expected to fund or maintain the self-insurance requirement under the Single Family Program bond indenture in any amount with respect to any series of bonds issued after November 2006.

The Agency was in compliance with its bond covenant requirements at June 30, 2025 and 2024.

Bonds Authorized But Not Yet Issued

On December 19, 2024, the Agency Board authorized the issuance of Single Family Mortgage Revenue bonds Series 150 in an amount not to exceed \$550,000. Proceeds are expected to be used for purchasing new single family mortgage loans.

9. Derivatives

In order to both reduce the Agency's overall cost of borrowing long-term capital and protect against the potential of rising interest rates, the Agency entered into pay-fixed receive-variable interest rate swap agreements. The objective of the swaps is to hedge against changes in the cash flows of the associated variable rate bonds series.

Swaps are deemed either hedging derivative instruments or investment derivative instruments based upon the effectiveness of the agreements to hedge against interest rate exposure associated with variable rate debt. The regression analysis method is used to determine whether the swaps are an effective hedge.

The fair values of both hedging derivative instruments and investment derivative instruments are reported as Derivative Instruments – Interest Rate Swaps. The changes in fair values of hedging derivative instruments are reported within Deferred Outflows or Inflows of Resources; the changes in fair values of investment derivative instruments are reported as either an investment revenue or expense. Fair values are obtained from mark-to-market calculations prepared by a valuation provider and approximate the current economic value using market indexes, interest rates and cash flow models.

Changes in the fair value of the interest rate swaps are countered by reductions or increases in total interest payments required under variable rate bonds. Given that payments on the Agency's variable rate bonds adjust to changing interest rates, the associated debt does not have corresponding increases in fair value.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Each of the Agency's swaps requires the Agency to post collateral in the event the Agency's rating falls below a certain rating threshold. As of and for the years ended June 30, 2025 and 2024, the Agency was not required to post collateral for any of its swaps.

The Agency's swaps utilize SIFMA and SOFR Fallback Rate - 1M reference rates.

Fair Value

Interest rate swaps are reported at fair value, reflecting the nonperformance risk of the Agency relating to the liability and the nonperformance risk of the bank counterparty relating to the asset, measured by Level 2 inputs based on observable values other than quoted prices, including interest rates and yield curves observable at commonly quoted intervals, implied volatilities and other market-corroborated inputs.

Balances of the fair values of the Agency's interest rate swaps at June 30, 2025 and 2024 were as follows:

2025				
Interest Rate Swap Type	General Activities	Multifamily Program	Single Family Program	Total
Hedging Derivatives	\$ 683	\$ -	\$ 9,029	\$ 9,712
2024				
Interest Rate Swap Type	General Activities	Multifamily Program	Single Family Program	Total
Hedging Derivatives	\$ 1,312	\$ -	\$ (7,602)	\$ (6,290)

Total interest rate swaps include \$9,712 and \$2,442 of derivative instrument – interest rate swap assets and \$0 and \$(8,732) of derivative instrument – interest rate swap liabilities at June 30, 2025, and 2024, respectively.

Hedging Derivative Instruments

The change in fair value of the Agency's hedging derivative instruments for the years ended June 30, 2025 and 2024 equaled \$16,002 and \$(10,208), respectively, and is accounted-for within the accumulated increase in fair value of hedging derivatives and accumulated decrease in fair value of hedging derivatives on the Balance Sheets. The terms and other information respective of the Agency's hedging derivative instruments outstanding at June 30, 2025 and 2024 are detailed in the following schedule:

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Bond Series	Effective Date	Maturity Date	Fixed Rate Paid	Variable Rate Received	Current Notional Amount	2024 Fair Value	Change In Fair Value	2025 Fair Value
2018-BLDG	3/2018	10/2037	3.150%	SOFR Fallback Rate - 1M	\$ 25,000	\$ 1,311	\$ (628)	\$ 683
2020-132B	10/2020	10/2050	1.704	SIFMA Swap Index	30,000	1,130	6,870	8,000
2023-141B	2/2023	10/2050	3.845	SIFMA Swap Index	80,000	(8,731)	9,760	1,029
Total:					<u>\$ 135,000</u>	<u>\$ (6,290)</u>	<u>\$ 16,002</u>	<u>\$ 9,712</u>

SIFMA Swap Index = the Securities Industry and Financial Markets Association Municipal Swap Index is a 7 day high-grade market index comprised of tax-exempt VRDOs with certain characteristics.

SOFR (Secured Overnight Financing Rate) Fallback Rate - 1M = the sum of the compounded SOFR calculated in arrears and the spread adjustment

Credit Risk

At June 30, 2025 and 2024, the Agency was exposed to \$0 and \$264, respectively, of credit risk with respect to its hedging derivatives. The Agency's swaps rely upon the performance of counterparties. If interest rates rise and the total fair value of swaps with any counterparty becomes positive, the Agency may be exposed to credit risk on those agreements – the risk that the counterparty fails to perform according to contractual obligations.

Basis Risk and Interest Rate Risks

The Agency is exposed to basis risk to the extent the changes in the rates associated with the Agency's variable rate bonds do not exactly offset the changes in the index rates associated with the corresponding swaps. The Agency is exposed to interest rate risk on all of its swaps. As the SIFMA Swap indexes decrease, the Agency's net payments on the swaps increase.

Rollover Risk

Rollover risk is the risk that a swap associated with a bond issue does not extend to the maturity of that debt, thereby creating unhedged variable rate debt. No swaps exposed the Agency to rollover risk at June 30, 2025.

Termination Risk

The Agency maintains the option to terminate its swaps at any time, while the Agency or the counterparty may terminate a swap if either party fails to perform under the terms of the agreement. If a swap has a negative fair value at the time of termination, the Agency would be liable to the counterparty for an amount equal to that negative fair value. In certain instances, the Agency has embedded par termination rights within its swaps; these termination rights enable the Agency to trigger partial or whole termination of the associated swaps without liability for negative fair value.

Amended Hedging Derivative Instruments

The Agency can exchange exercisable options, which are embedded within effective hedging derivative instruments, in efforts to take advantage of the economic benefits associated with reducing the semiannual fixed rate payments to counterparties for certain swaps. The Agency did not exchange any exercisable options during the years ended June 30, 2025 and 2024.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

The aforementioned options were embedded within the respective swaps at the time the swap agreements were initiated and were reflected in the fixed rate payable by the Agency to the respective counterparties. Exchanging the exercisable options amended the respective swap agreements by reducing the fixed rate paid to the counterparty, thereby changing the critical terms of the associated swaps. GAAP dictates that such changes trigger a termination of hedge accounting. In the instance of a termination event, amounts representing the accumulated decrease in the fair value of hedging derivatives and reported as a deferred outflow are to be recognized immediately as an item of income or expense, depending on the fair value of the swap at the time of termination. The balances recognized as an item of income or expense, respective of the amended swaps, are then amortized and recognized as a component of interest expense over the lives of the underlying hedgable items in order to recoup the effects of termination events over time. Amortization of the effects of termination events for the years ended June 30, 2025 and 2024 equaled \$0.

There was no activity related to amended hedging derivative instruments during the years ended June 30, 2025 and 2024.

Investment Derivative Instruments

Certain balances of variable rate bonds associated with certain swaps were either redeemed in total or refunded by fixed-rate bonds; therefore, the associated swaps are no longer a hedge against variable rate debt. As a result, these swaps are deemed investment derivative instruments. The Agency did not have any interest rate swaps classified as investment derivative instruments as June 30, 2025.

10. Subscription-Based Information Technology Arrangements

The Agency has entered into subscription-based information technology arrangements (SBITAs) for a cloud-based mortgage servicing system for the Agency's single family portfolio of loans, a cloud-based interactive document repository for the Agency's single family loan purchase documentation, a cloud-based application and payment processing system to administer the Pennsylvania Housing Assistance Fund (PAHAF), Microsoft's cloud-powered productivity platform, and a cloud-based HR and Financial Management software. The SBITA arrangements expire at various dates through 2033 and provide for renewal options.

As of June 30, 2025 and June 30, 2024, SBITA assets and the related accumulated amortization totaled \$14,524 and \$10,183 and \$6,511 and \$4,465, respectively.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

The future subscription payments under SBITA agreements are as follows:

<u>Year Ending June 30,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2026	951	52	1,003
2027	866	47	913
2028	382	22	404
2029	382	22	404
2030 and Thereafter	1,912	109	2,021
Total:	<u>\$ 4,493</u>	<u>\$ 252</u>	<u>\$ 4,745</u>

Some SBITA arrangements require variable payments based on the number of transactions, loans, or volume of payments disbursed and are not included in the measurement of the SBITA liability. Those variable payments are recognized as outflows of resources in the periods in which the obligation for those payments were incurred. During the years ended June 30, 2025 and June, 30, 2024, the Agency made variable payments as required by SBITA agreements totaling \$1,544 and \$1,028, respectively.

12. Restricted Net Position

The Single Family Programs' June 30, 2025 and 2024 net position restrictions equaling \$194,084 and \$169,733, respectively, are restricted pursuant to the Agency's obligations to HUD and its bondholders; provisions are present within the Single Family Program bond indenture. Net position restrictions within HEMAP totaling \$30,220 and \$32,247 at June 30, 2025 and 2024, respectively, represent amounts restricted for the purpose of making mortgage assistance loans.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

13. Pension Plans

Plan Description

Full-time employees of the Agency participate in the Agency Plan or Excess Plan, which are both defined benefit single employer plans with financial reporting years ending December 31. The Pensions do not issue stand-alone statements.

The Agency serves as plan administrator for the Agency Plan and Excess Plan. The Agency Plan and Excess Plan assets are administered through the Pennsylvania Housing Finance Agency Employees' Retirement Plan Trust ("Trust") an irrevocable trust to be used solely for providing benefits to eligible participants in the plans. Assets of the Trust are irrevocable, legally protected from creditors, and are dedicated to providing defined retirement benefits to current and eligible future retirees, in accordance with the terms of the plans.

Benefits Provided

A participant's benefits vest upon the completion of five years of service. Under the provisions of the Pensions, participants with prior military service may receive credit for their time of service providing they contribute funds equivalent to the cost of their pension benefits accumulated during their military service. A participant is eligible for normal retirement after attaining age 65, age 55 and completion of 30 years of service, or at any age after completion of 35 years of service. The normal retirement pension is payable monthly during the participant's lifetime with payments ceasing upon the participant's death.

Employee normal retirement monthly benefits are equal to 2% of an employee's average monthly pay multiplied by the completed years and completed months of service at normal retirement date, where average monthly pay is based on an employee's highest twelve calendar quarters of pay (excluding any lump sum annual and/or sick leave payouts upon retirement for employees hired after 12/31/06). Normal retirement benefits are reduced by 1/6 of 1% per month for each month (2% per year) prior to the employee's normal retirement date. If employment is terminated by reason of total and permanent disability, employees are entitled to a disability pension after three months of disability, regardless of years of service. Disability pension is equal to an employee's pension benefit accrued to date with no reduction for early retirement. If an employee dies while employed by the Agency, the employee's beneficiary will receive a lump sum death benefit payment equal to the actuarial equivalent of the employee's accrued pension as of the date of death. If an employee dies after terminating employment but before retiring, the employee's beneficiary will receive a lump sum death benefit payment equal to the vested accrued pension.

All participants in the Plan who will receive retirement benefits in an amount that is less than the benefits otherwise payable under the terms of the Plan due to limitations on benefits imposed by Internal Revenue Code ("IRC") Section 415 shall automatically participate in the Excess Plan. Participation in the Excess Plan will cease for any year in which the retirement benefits from the Plan do not exceed the limitation imposed by IRC Section 415, provided such funding has been

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

transferred to the Plan. Pension payments under the Excess Plan are paid in the same form as the pension benefits payable under the Plan.

Employees Covered by Benefit Terms

At December 31, the following employees were covered by the benefit terms:

	(not in thousands)	
	2024	2023
Inactive employees or beneficiaries currently receiving benefits	264	255
Inactive employees entitled to but not yet receiving benefits	90	85
Active Employees	295	302
	649	642

Contributions

Contribution requirements and benefit provisions of the Pensions are established and may be amended by the Agency Board. The Pensions' funding policy provides for actuarially determined periodic contributions at amounts that will enable sufficient assets to be available to pay benefits when due. Employees hired on or after January 1, 2009 contribute 3% of compensation to the Plan. Employees hired on or before December 31, 2008 do not contribute to the Pensions. Employer and Employee contributions recognized by the Pensions during the reporting periods were \$5,100 and \$4,698 for the years ended December 31, 2024 and 2023, respectively. The Agency's average contribution rates for the years ended December 31, 2024 and 2023 equaled 21.23% and 21.17% of covered payroll, respectively.

Investments

Policies pertaining to the allocation of investments within the Agency's Pensions are established and may be amended by the Agency's Pension Committee. It is the policy of the Pension Committee to invest pension assets in securities that provide growth and income while maintaining a balanced level of risk tolerance. The following table illustrates the approved asset allocation policy at December 31, 2024 and 2023:

Investment Type	% Range of Allocation		
	Minimum	Target	Maximum
Equity Securities	55%	65%	75%
Fixed Income Securities	25%	35%	45%
Cash Equivalents	0%	0%	20%

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Permitted securities in which assets of the Agency's Pensions may be invested include any of the following:

Cash Equivalents

Money market mutual funds
Short-term money market instruments

Equity Securities

U.S. common and preferred stocks
U.S. equity mutual funds
Equity exchange traded funds
International equity mutual funds

Fixed Income Securities

U.S. governments
U.S. mortgage and asset-backed
U.S. corporate bonds
Taxable municipal bonds
Fixed income mutual funds
Fixed income exchange-traded funds

At December 31, 2024 and 2023, there were no concentrations of investments in any organization that represented 5% or more of the Pensions' fiduciary net position.

For the years ended December 31, 2024 and 2023, the annual money-weighted rate of return on investments of the Agency's Pensions, net of investment expense, was 14.31% and 18.22%, respectively. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Investments comprising the fiduciary net position of the Agency's Pensions are reported at fair value measured by Level 1 inputs based upon quoted market prices.

The fiduciary net position of the Agency's Pensions at December 31, 2024 and 2023 was invested as follows:

	<u>2025</u>	<u>2024</u>
Cash Equivalents	\$ 7,049	\$ 5,301
Equity Securities		
Equity exchange traded funds	43,476	39,621
U.S. and International equity mutual funds	8,076	7,691
U.S. common and preferred stocks	32,070	30,151
Fixed Income Securities		
Fixed income exchange traded funds	1,642	1,544
Fixed income mutual funds	30,757	27,314
Total:	<u>\$ 123,070</u>	<u>\$ 111,622</u>

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Actuarial Assumptions

The Agency's net pension liability was measured as of December 31, 2024 and 2023, and the total pension liability used to calculate the net pension liability was determined by actuarial valuations as of those dates.

The total pension liability in the December 31, 2024 and 2023 actuarial valuations was determined using the following actuarial assumptions, applied to all periods included in the measurement:

	<u>Rate</u>
Inflation	3.0%
Salary Increases (average, including inflation)	4.5%
Investment Rate of Return (including inflation)	7.5%
Post-Retirement Cost of Living Increase	0.0%

Mortality rates used in the December 31, 2024 and 2023 actuarial valuation were based on the PubG-2010 mortality table, including rates for disabled retirees and contingent survivors. Incorporated into the tables for the December 31, 2024 and 2023 actuarial valuations were rates projected using Scale MP 2021 to reflect mortality improvement.

The long-term expected rate of return on the Pensions' investments was determined using a building-block method, in which best-estimate ranges of expected future real rates of return (expected returns, net of inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class for the years ended December 31, 2024 and 2023 are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Rate of Return</u>
Equity	65.0%	5.5% - 7.5%
Fixed Income	35.0%	1.0% - 3.0%

The discount rate used to measure the total pension liability at December 31, 2024 and 2023 was 7.5%. The Pensions' fiduciary net positions are projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on the Pensions' investments was applied to all periods of projected benefit payments to determine the total pension liability.

The Agency has not completed a recent experience study.

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the net pension liability of the Pensions, calculated using the discount rate of 7.5%, as well as what the Pensions' net pension liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the current rate:

Plan's Net Pension Liability for Calendar Year Ended	1% Decrease (6.50%)	Current Discount Rate (7.50%)	1% Increase (8.50%)
December 31, 2024	\$ 34,772	\$ 28,146	\$ 6,462
December 31, 2023	\$ 42,590	\$ 33,040	\$ 14,961

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

For the years ended December 31, 2024 and 2023, the Pensions recognized pension expense of \$5,558 and \$5,346, respectively. At December 31, 2024 and 2023, the Agency reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	2024	2023
<u>Deferred Outflows</u>		
Differences between Expected and Actual Experience	\$ 9,009	\$ 8,167
Changes in Assumptions	217	421
Net Difference Between Projected and Actual Earnings on Investments	-	4,469
Contributions made after measurement date	1,400	1,400
Gross Deferred Outflows	<u>10,626</u>	<u>14,457</u>
<u>Deferred Inflows</u>		
Differences between Expected and Actual Experience	-	58
Changes in Assumptions	559	831
Net Difference Between Projected and Actual Earnings on Investments	2,270	-
Gross Deferred Inflows	<u>2,829</u>	<u>889</u>
Net Deferred Outflows	<u>\$ 7,797</u>	<u>\$ 13,568</u>

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

<u>Year Ended June 30</u>	
2025	\$ 2,398
2026	3,907
2027	(1,858)
2028	(305)
2029	1,053
Thereafter	1,202
	<u>\$ 6,397</u>

14. Postemployment Benefits Other than Pensions**Plan Description**

The Agency sponsors a single-employer defined benefit OPEB Plan to provide certain health care benefits to all former employees who are members of the Pension Plan currently receiving retirement income; as a result, eligibility requirements for benefits mirror those of the Pension Plan. The Agency is under no statutory or contractual obligation to provide these postretirement healthcare benefits. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB 75.

The OPEB Plan's financial reporting years end June 30. The OPEB Plan consists solely of the Agency's commitment to provide OPEB through the payment of premiums to insurance companies on behalf of its eligible retirees, therefore no stand-alone financial report is either available or generated for the OPEB Plan.

Benefits Provided

The OPEB Plan provides healthcare benefits to all former employees who are members of the Pension Plan. Specific details of the OPEB Plan include the provision of limited hospitalization, major medical insurance, physician services and prescription drug coverage. Additionally, such benefits are available to members' spouses during the life of the retiree.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Employees Covered by Benefit Terms

At the June 30, 2023 valuation date, the following employees were covered by the benefit terms:

	(not in thousands)
	2023
Active Participants	312
Retired Participants	152
	464

Total OPEB Liability

The Agency's total OPEB liability equaling \$89,502 and \$84,962 at June 30, 2025 and 2024, respectively, were measured as of June 30, 2024 and 2023, respectively, using an actuarial valuation as of June 30, 2023. Update procedures were used to roll forward the total OPEB liability in the actuarial valuation at June 30, 2023 to the measurement date of June 30, 2024.

Actuarial Methods and Assumptions

The total OPEB liability in the June 30, 2023 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

	2024	2023
Salary Increases (average, including inflation)	4.50%	4.50%
Discount Rate	4.21%	4.13%
Retiree' Share of Benefit Costs	10% of the premium for medical and prescription drug coverage. \$20 a month per person electing coverage for dental coverage.	10% of the premium for medical and prescription drug coverage. \$20 a month per person electing coverage for dental coverage.
Healthcare Cost Trend Rates	7.0% in 2024 with 0.5% decrease per year until 5.5% in 2027; gradually decreasing from 5.4% in 2028 to 4.0% in 2075 and later.	7.0% in 2023 with 0.5% decrease per year until 5.5% in 2026; gradually decreasing from 5.4% in 2027 to 4.1% in 2075 and later.

The discount rate was based on the S&P Municipal Bond 20-Year High Grade Rate Index at June 30, 2024 and 2023.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Mortality rates were based upon the PubG-2010 Headcount-Weighted Mortality Table, including rates for contingent survivors, incorporated into the table are rates projected generationally using Scale MP-2021 to reflect mortality improvement at both June 30, 2024 and June 30, 2023.

The Agency has not completed a recent experience study.

Changes in the Total OPEB Liability

	Total OPEB Liability at June 30	
	2024	2023
Beginning Balance	\$ 84,962	\$ 92,761
Changes for the year:		
Service cost	3,741	4,036
Interest	3,609	3,904
Changes of benefit terms	-	(1,798)
Differences between expected and actual experience	-	(5,893)
Changes in assumptions or other inputs	(388)	(5,558)
Benefit payments	(2,422)	(2,490)
Net Changes	4,540	(7,799)
Ending Balance	\$ 89,502	\$ 84,962

Changes of benefit terms in 2023 reflects a change in the cost share percentage from 8% in 2022 to 10% in 2023. Changes of assumptions or other inputs reflects a change in the discount rate of 4.09% in 2022, 4.13% in 2023, and to 4.21% in 2024; the mortality and trend assumptions were updated in 2023; the election assumption decreased from 10% in 2022 to 95% in 2023; and the marriage assumption decreased from 50% in 2022 to 45% in 2023.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate

The following presents the total OPEB liability of the Agency, as well as what the Agency's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the discount rate:

Total OPEB Liability				
at June 30	1% Decrease	Discount Rate	1% Increase	
2024	\$ 104,203	\$ 89,502	\$ 77,635	
2023	\$ 99,184	\$ 84,962	\$ 73,513	

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rate

The following presents the total OPEB liability of the Agency, as well as what the Agency's total OPEB liability would be if it were calculated using a healthcare cost trend rate that is one percentage point lower or one percentage point higher than the healthcare cost trend rate:

Total OPEB Liability	Healthcare		
at June 30	1% Decrease	Cost Trend Rate	1% Increase
2024	\$ 75,554	\$ 89,502	\$ 107,287
2023	\$ 72,197	\$ 84,962	\$ 101,203

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the years ended June 30, 2025 and 2024, the Agency recognized OPEB expense of \$1,664 and \$155, respectively. At June 30, 2025 and 2024, the Agency reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	2025	2024
<u>Deferred Outflows</u>		
Differences between Expected and Actual Experience	\$ 4,261	\$ 5,455
Changes in Assumptions or other inputs	6,053	9,484
Benefit payments made after measurement date	2,605	2,422
Gross Deferred Outflows	12,919	17,361
<u>Deferred Inflows</u>		
Differences between Expected and Actual Experience	6,832	9,982
Changes in Assumptions or other inputs	33,137	39,909
Gross Deferred Inflows	39,969	49,891
Net Deferred Inflows	\$ (27,050)	\$ (32,530)

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

<u>Year Ended June 30</u>	
2026	\$ (7,603)
2027	(4,619)
2028	(4,617)
2029	(4,548)
2030	(6,740)
Thereafter	<u>(1,528)</u>
	<u><u>\$ (29,655)</u></u>

15. Significant Contingencies and Commitments**Federally Assisted Programs**

In the normal course of operations, the Agency receives funding from various federal government agencies. These funds are to be used solely for designated purposes. If a grantor determines that funds have not been used for their intended purpose, the grantor may request a refund of monies advanced or refuse to reimburse the Agency for its related disbursements. The amount of such future refunds and unreimbursed disbursements, if any, is not expected to be significant. Continuation of the Agency's grant programs is predicated upon the grantors' historical satisfaction that the funds provided are being spent as intended and the grantors' intent to continue their programs.

Risk Management

The Agency is exposed to various risks of loss from theft of, damage to or the destruction of assets; injuries to staff or visitors; loss related to torts, errors and omissions and employee dishonesty. All risks are managed through the purchase of various commercial insurance policies. The Agency bears a \$1 (one-thousand dollar) deductible per claim for commercial property coverage and a \$100 (one-hundred thousand dollar) deductible per claim for fidelity bond coverage. There have been no settlements, actual losses in excess of coverage or decreases in insurance coverage within the last three years.

Litigation

In the normal course of business, the Agency may be involved in various claims or suits. In the opinion of the Agency's management, the amount of such losses that might result from claims or suits, if any, would not materially affect the Agency's financial position.

PENNSYLVANIA HOUSING FINANCE AGENCY

Notes to Financial Statements

June 30, 2025 and 2024 (in thousands)

Commitments

Outstanding commitments by the Agency to make or acquire Single Family Mortgage Program and Multifamily Housing Program loans were approximately \$371,278 and \$69,832 at June 30, 2025 and \$441,647 and \$66,347 at June 30, 2024.

16. Significant Effects of Subsequent Events

On August 14, 2025, the Agency Board authorized the issuance of Single Family Mortgage Revenue bonds Series 151, 152, and 153 in an amount not to exceed \$650,000 for each series. Proceeds are expected to be used for purchasing new single family mortgage loans.

The Agency has evaluated subsequent events through the date the financial statements were available to be issued and determined that there have been no events that have occurred that would require adjustments to the disclosures in the Agency's financial statements.

2024	4,663,872	4,682,419	(18,547)	22,059,547	21.14%

Notes to Schedules:

Valuation Date: Actuarially determined contribution rates are calculated as of January 1, two to four years prior to the end of the fiscal year in which the contributions are reported.

Methods and assumptions used to determine contribution rates –

Actuarial cost method: Aggregate

Amortization method: N/A

Remaining amortization period: N/A

Asset valuation method: Smoothed value with a corridor of 80% to 120% of market value

Inflation: 3.0%

Salary increases: 4.5%

Investment rate of return: 7.5%

Retirement age: Normal retirement age

Mortality: Years 2015 through 2019 incorporated the Adjusted RP-2014 White Collar Mortality Table to reflect mortality improvement. Year 2020 used the Pri-2012 White Collar Mortality Table including rates for contingent survivors, incorporated Scale MP-2019 to reflect mortality improvement. Year 2021 used the PubG-2010 Mortality Table including rates for disabled retirees and contingent survivors, incorporated Scale MP-2020 to reflect mortality improvement. Year 2022 through 2024 used the PubG-2010 Mortality Table including rates for disabled retirees and contingent survivors, incorporated Scale MP-2021 to reflect mortality improvement.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Pennsylvania Housing Finance Agency
Harrisburg, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities and fiduciary activities of Pennsylvania Housing Finance Agency (the Agency), as of and for the year ended June 30, 2025 and the related notes to the financial statements, which collectively comprise Pennsylvania Housing Finance Agency's basic financial statements, and have issued our report thereon dated September 24, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pennsylvania Housing Finance Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pennsylvania Housing Finance Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of Pennsylvania Housing Finance Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pennsylvania Housing Finance Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
