

Participating Continuums of Care

The following is the list of Pennsylvania Continuums of Care (CoCs) that are currently participating in the 2018 Home4Good application and funding process. Service providers located within the district of one of these participating Continuums of Care **must** submit their proposal(s) through the CoC by the end of business on **Friday, August 28**.

We anticipate this list will grow significantly over the next couple of weeks. Service providers are encouraged to check this list frequently as the participants are updated.
