Casey Fenoglio

Biography: Casey Fenoglio, MPH, CHES, is the Director of Community Engagement at Pottstown Hospital – Tower Health and serves as the Vice President of the Board of Directors for TriCounty Community Network. Prior to joining Pottstown Hospital in 2019, Casey’s public health experience ranged from university research to school wellness to health education and prevention for a national non-profit organization. In her current role, Casey works to identify and address the community health needs in Pottstown Hospital’s service area, which focuses heavily on addressing the social determinants of health and ensuring health equity.
