Hello valued conference attendee;

I regret to inform you that due to the COVID-19 pandemic, the Pennsylvania Housing Finance Agency will be postponing the 2020 Multifamily Affordable Housing Conference that was to be held at the Seven Springs Resort in June. The new date for the conference will be **July 20 – 22, 2021** at the same location.

Just a quick note: any existing hotel room reservations for the June 2020 conference will automatically be canceled and deposits refunded since we have officially moved the conference to July 2021. We ask that **you do not call the Seven Springs reservations department** as this has been taken care of.

After the full details are available for 2021, we would love to have you back as part of our conference. If you have any questions please contact Mauricio Barahona via email at mbarahona@phfa.org or phone 717-780-4353.

Thanks,
Mauricio R. Barahona
