

Registration is now open for the 2021 PHFA Multifamily Affordable Housing Conference on July 21-22, 2021!

Here is the registration link: <https://tools.eventpower.com/reg/index/S3hqgAzGgg>

Our 2021 Multifamily Affordable Housing Conference has shifted to a virtual platform.

One great benefit to this virtual format is that you will have access to every session for THREE MONTHS, after the conference is over! Giving you unlimited access to the trainings to re-watch.

This new format of our conference offers you a unique educational opportunity with four amazing keynotes and several breakout sessions from anywhere you are.

You can see the online agenda here:

https://tools.eventpower.com/agenda_module/schedule/display/21PHFA?agenda_id=1477

Our conference attracts attendees from across the multifamily housing industry with sessions related to property management, resident service coordination, fair housing and much more.

Please note: ***This link is to register, and you will be able to pick your sessions the closer we get to the conference. This is mainly to hold your spot and pay for registration.***

Our 2019 Conference was one of our largest conferences ever and we are hoping for an even better turnout this year! Please contact Mauricio Barahona at mbarahona@phfa.org or 717.780.4353 with any questions.
