Resource Center

Our Community Resource Coordinators provide knowledge, experience, and sensitivity to create a plan that addresses the needs of each requestor.

- ★ Serving over 3500 people per year and over 15,000 in the past five years.

The Resource Center provides access to reliable in-home care, accessible home modifications, and specialized equipment designed to ease the lives of our participants. They also assist accessing and completing financial assistance registration and guide our participant's progress for as long as they are needed. The Center participates in Person-Centered Counseling through the PA Link.

The top three services requested of our Resource Center: Waivers, Home Modifications, and Service Dog

- ★ Over 800 calls and 165 emails per month
- ★ Over 80% of calls connect to a non-UDS service resource

Advanced Care Management Services

Our care managers streamline the transition from hospital to home and ensure that complex patients have the support they need to thrive independently.

We strive to:

- Reduce 30-day readmission
 - Decrease ED recidivism
 - Shorten hospital length of stay
-
- ★ Six years proven experience working with 25+ hospitals
 - ★ Over 350 participants placed or returned home with services
 - ★ Average less than 4% readmission rate within 30 days

In-Home Personal Care

For over 30 years, we've provided dedicated home care services, opening up possibilities for older adults and individuals recovering from surgery or injury. Our continuous support extends to those in retirement communities and assisted living facilities, ensuring comprehensive care wherever it's needed.

Our care plans may include any of the following:

- Caring companionship
- Bathing, dressing, and hygiene assistance
- Meal planning and preparation
- Medication reminders and prescription pick-up
- Laundry and light housekeeping
- Mobility and transfer assistance
- Shopping and errands
- Travel assistance
- Nighttime monitoring
- Updating of family members
- Respite for family caregivers

Home Modifications

Our experts evaluate needs, provide smart solutions, and supervise every aspect of accessible home modifications to make your home more ADA accessible.
