**9:30am -12:30pm – Programming**

- ❖ Special Agent Janene Holter, PhD from the Attorney General’s Office will be presenting “Opiates: What we need to know” This presentation will discuss what are Opiates, proper storage, disposal of Opiates, and Narcan. She will also discuss what PA is doing regarding the Opiate crisis.
- ❖ Georgia Kornblatt RN, MSN will be presenting on the LIFE Geisinger program. This program is a federal and state sponsored healthcare model whose purpose is to serve frail elders within our community who might otherwise be confined to a nursing home. LIFE Geisinger provides comprehensive healthcare services to meet the participant’s medical, social, and emotional needs. This presentation will seek to educate attendees on the program model and services offered. It will also discuss the potential relationships between LIFE Geisinger and Senior Housing providers.
- ❖ **Transgender 101 Mini Workshop** will be presented by Bambi Lobdell and is for people who want to learn more about transgender identities, lives, and issues. It will also offer a general tutorial on how to be an ally to transgender folk. A list of resources for parents, kids, schools, and doctors will also be available. In an ever changing world, embracing diversity is necessary to be successful.
