SW PA Regional Housing Services Forum

When: Thursday, May 30th 2019 8:30 am-12:30 pm

Where: Serenity Ridge Apartments – 9453 Saltsburg Rd, Plum, PA 15239

We have created the agenda to explore and share resources that support you in meeting the needs of families, seniors and people with disabilities.

AGENDA:

- **Pittsburgh Action Against Rape-** The media often portrays one example of sex trafficking—that of a young woman being kidnapped and locked away by a stranger in a foreign country. Although this scenario does happen, traffickers use a variety of tactics and target vulnerable populations within our own communities. This presentation will provide case studies to teach participants how to more accurately identify a variety of trafficking survivors and help participants feel more confident about what to do if someone discloses. PAAR has provided services to Allegheny County for more than 43 years. Our experienced, trained counselors, advocates, and case managers provide therapy, crisis management, legal and medical advocacy, group counseling, and case management that are completely confidential.
- **American Healthcare Group-** Come learn about the various outreach programs this organization offers and learn about their new food intake coordinator opportunity!
- **Athletic Trauma Unit-** The ATU is a supportive, family-focused group that spans over several communities in the Pittsburgh area. ATU is the only no-cost, volunteer, family-orientated workout group in the Pittsburgh area. Come learn about this amazing group and get treated to a low impact short workout as well ☺
- **Dress for Success-** Did you know Dress for Success now has a mobile unit?? Come here how this organization can help your residents!
