

## AGENCY FEE SCHEDULE

New and existing developments – Revised 9-30-2020

The fees outlined herein are applicable to all applicants seeking Agency resources and should be included in the development budget of the Application **except for fees that are charged or assessed as a result of Agency requirements, missing and/or deadlines not being met (i.e. missing document fee, extension fee, late fee, modification fee, reallocation (SWAP) fees).** These types of fees assessed by the Agency will not be recognized in Total Development costs, and they should not be included in an application or any subsequent budget. The following fees should be used for budgetary purposes only and may not contain all fees and costs applicable to a transaction. The Agency reserves the right to increase fees for complex transactions. Additionally fees may apply to existing developments per occurrence currently in their regulatory and/or compliance period. Interest rates and annual expenses are determined during underwriting based upon market conditions. All fees are non-refundable, non-transferable and due as designated in this schedule. Please check the Agency’s website for updates.
