

Evidence of Site Control Certification

List all building addresses/description of property sites. For developments consisting of more than one building, provide a list of all buildings, their addresses and description of site control. The information must be sufficient to identify/assign Building Identification Numbers (BINs) for Tax Credit properties securing Carryover Allocations.

As Applicant of _____ (project name), I accept responsibility for the information above and any discrepancies identified subsequent to the reservation of credits may require IRS approval.
