

Applicant’s Certification of Applied for or To Be Applied for Funds

In accordance with Section 42 of the Internal Revenue Code, all applications must identify all sources of funding (including those to which the Applicant expects to apply). The Agency may award up to two (2) points for identified funding listed as applied for or to be applied for. To be considered for points in this category, the amount may not exceed twenty-five percent (25%) of developer fee.

Development: _____

Amount of Developer Fee \$ _____

Please provide the source and the amount of the applied for or to be applied for funding:

<u>Lender</u>	<u>Amount</u>	<u>Expected announcement date</u>
_____	\$ _____	_____
_____	\$ _____	_____
_____	\$ _____	_____

The Agency may require evidence of submission of funding applications listed above. The Agency will not permit the substitution of Related Party financing as a replacement source of “To be Applied for” funding. Development fee must be pledged/maintained through cost certification.

Certification of Applied For
or To Be Applied For Funds

As the applicant, I certify that in the event the above applied for or to be applied for funding is not successful, reinvested developer fee will be committed to cover the sources.
