

**PENNSYLVANIA HOUSING FINANCE AGENCY
REQUEST FOR PROPOSALS
2018 Tax Exempt Qualified Residential Rental Facilities
Seeking Private Activity Bond Allocations**

INTRODUCTION

Private activity bonds to finance qualified residential rental facilities are subject to the limitations imposed through the statewide unified private activity bond cap ("volume cap") under federal tax law. The Pennsylvania Department of Community and Economic Development ("DCED") provides for the allocation of volume cap to issue private activity bonds among the various qualified issuers in the Commonwealth of Pennsylvania. Each year, DCED provides the Pennsylvania Housing Finance Agency (the "Agency") with certain allocations for the issuance of private activity bonds ("volume cap") for all housing purposes.

The Agency encourages the development of quality affordable rental housing in the Commonwealth. This Request for Proposals ("RFP") has been designed to establish a process for inviting, evaluating and selecting qualified tax exempt residential rental facilities seeking allocations of year 2018 volume cap.

The Agency encourages use of this resource for multifamily developments and will provide volume cap to as many qualified properties as are reasonably feasible, subject to the continued availability of volume cap for these purposes. All references herein to the "Code" refer to the Internal Revenue Code of 1986, as amended.

REQUEST FOR PROPOSALS SUMMARY

This RFP announces the availability of volume cap for the funding of multifamily developments on a first-come, first-served basis in 2018. Depending on the total volume cap available in the Commonwealth for housing bonds, the Agency may determine to fund such multifamily developments as meet the minimum qualifications set forth herein. The Agency may provide a preference to developments being financed by the Agency.

Please be reminded that eligibility for tax exempt bond financing does not ensure qualification or eligibility under the 2017/2018 Allocation Plan for Low Income Housing Tax Credits ("Allocation Plan") for applicants seeking federal Low-Income Housing Tax Credits ("Tax Credits") for a portion of the development financing. Applications must meet the requirements of the Allocation Plan in order to qualify for the Tax Credits associated with the tax-exempt bond financing.

To qualify for volume cap, residential rental facilities must meet all qualifications of the Code. Such facilities may involve the rehabilitation of existing rental facilities, new construction of facilities, modernization of public housing facilities, and construction of qualified 'assisted living' housing. The Agency may reject any application not providing adequate assurance of any of these qualifications or if there are unaddressed technical concerns relating to the financing.

PROGRAM DEADLINES

Timelines have been established for processing and reviewing applications. Developers are advised to evaluate their financing goals and development preparedness **prior to** applying for volume cap. Applications not meeting the minimum qualifications or otherwise failing to evidence an ability to meet applicable deadlines may be rejected at any time by the Agency.

For 2018, the Agency has moved to a two-step application process which includes the submission of a Preliminary Application followed by a full Underwriting Application. Preliminary Applications will be accepted by the Agency, on a first come, first served basis, on or after **November 3, 2017** until **April 1, 2018**. The Agency will evaluate the Preliminary Application based on the requirements set forth herein within 45 days from the receipt of the Preliminary Application. If the Preliminary Application is approved by Agency staff, applicants may submit a full Underwriting Application. Underwriting Applications will be accepted until **June 1, 2018**. In the event a Preliminary Application is rejected by the Agency, applicants may resubmit a Preliminary Application for consideration until **April 1, 2018** upon payment of the applicable Preliminary Application Fee. The Agency may extend any deadline based upon volume cap availability and the applicant's ability to meet appropriate timeframes. All applicants are urged to submit complete Preliminary Applications early in the acceptance period to ensure adequate processing time for consideration of an allocation of volume cap and to best ensure that all financing activity will be completed within program timeframes.

The Agency will attempt to complete its review of the full Underwriting Application and present to the Board for a conditional allocation of volume cap **within three months from the receipt of** this submission. (Portfolio applications, consisting of the acquisition/rehabilitation of several existing, occupied developments to be financed under a common ownership as one project, will generally take longer to process.) Also, projects involving federal approvals including, but not limited to, Rental Assistance Demonstration ("RAD") or other HUD rent increases are urged to have these processes completed prior to application. Once conditional allocation of volume cap for a housing facility is awarded, the developer and its bond finance team **must** hold the actual construction loan closing, issue bonds and commence construction **within ninety (90) days of Board approval**. To ensure time for Agency staff processing, in no event will closings be allowed after December 14, 2018. All development funding must be in place and actual construction or property rehabilitation contracts must be completed, without condition; escrow or construction bridge loan closings will not satisfy the Agency's closing requirement. Failure to finalize all aspects of development and bond financing within this time period and to submit all required pre-closing and closing documentation to the Agency may result in recapture of the reserved volume cap and forfeiture of the non-refundable application processing fee. Developers and bond issuers are advised to review funding sources, commitments and financing structures to ensure they can meet all deadlines for year 2018 submissions. Developers using local bond issuers for their transactions will not be able to "carry forward" unused volume cap at the end of the year and the Agency will strictly monitor all deadlines.

PRELIMINARY APPLICATION REQUIREMENTS

Each application for tax exempt issuing authority must be prepared in accordance with the Guidelines and must include all required submission requirements in the Application Package, including fees.

Narrative Description of the Development

A narrative must outline how the development meets each of the following criteria:

- Qualification under the relevant bond financing sections of the Code;
- Qualification for Tax Credits under Section 42 of the Code, if applicable, and a supporting letter from counsel or a certified public accountant experienced in the Tax Credit Program;
- Qualification of the development team and the bond financing team;
- Evidence of financial feasibility of the facility and detailed description of bond financing structure;
- Evidence of commitment of all necessary financing sources;
- Ability to support a 35 year minimum affordability period for low income tenants or a demonstrable feasible plan to convert the development to affordable homeownership at the end of the 15 year initial compliance period; and
- Demonstration of an adequate market for the units, without adversely affecting or impairing existing or proposed rental properties in the proposed development locale and without resulting in overconcentration of affordable units.

A. Letter Outlining Bond Financing Structure and Identifying Financing Team

A letter must be included with the application, addressed to the Agency, signed by the owner, general partner, or sponsor as well as the proposed bond issuer (if other than the Agency) outlining the bond financing structure and identifying each of the following (with names, addresses and phone numbers):

- The proposed bond issuer;
- Development ownership entity and principal partners or guarantors;
- Bond counsel to the issuer (for local bond issuers only);
- Underwriters or placement agents, if any;
- Underwriter's counsel, if any; and
- All other entities involved in the financing (i.e.; rating agencies; bond insurer; letter of credit bank; bond trustee; and credit enhancement entity).

In outlining the bond structure, the letter should include, at a minimum, the following:

- The amount of the volume cap request.
- Whether there will be more than one series or subseries of bonds (whether tax exempt or taxable), and if the bonds will be used for construction financing, permanent financing, or both.
- The term of bonds. If any portion of the bonds will be taken out by another financing source, identify the source and provide a letter outlining take out terms.
- The purchaser of the bonds if there will be a private placement.

In the event the Agency is not the bond issuer, the bonds must receive an investment quality rating from one of the nationally recognized rating agencies (or otherwise meet the Agency criteria to ensure that the bonds are maximizing and reasonably achieving market opportunities).

B. Submission of Application Fees Identified in the Guidelines

Upon submission of a Preliminary Application for a single project being financed with Tax Exempt bonds, the applicant is required to pay an Preliminary Application Fee equal to \$3,000. A \$1,500 Preliminary Application Fee is due for each existing housing development included in a portfolio application (which is generally one consisting of more than one existing housing development.) Applicants that are authorized to move forward and interested in submitting a full Underwriting Application are required to pay one-half of the estimated Tax Credit Allocation Fee (3% of the annual credit) with the Underwriting Application. The final Tax Credit Allocation Fee will be based on the amount of Tax Credits preliminary determined to be available to the project in the Agency's 42(m) letter, to be issued prior to the closing of the Tax Exempt Financing. If the Agency is requested to complete the Section 42(m) review for another issuing agency, an additional \$5,000 fee is due with the request (and all materials must be submitted at least there (3) weeks before closing). These are nonrefundable fees and will be retained by the Agency if the Project fails to meet timelines or proceed to closing for any reason.

Additionally, any and all costs incurred in this application process are the sole responsibility of the applicant. Upon approval of the tax exempt bond financing from the Agency's Board, deposits toward the bond issuance fees will be required. For projects using the Agency as bond issuer, reimbursement agreements covering all costs and expenses to be incurred by the Agency will be required. Also, please note that the Agency will assign all professionals to the financing team if it serves as bond issuer (including bond counsel and trustee)

MINIMUM CRITERIA FOR AGENCY REVIEW

For Agency consideration, developments must meet the minimum qualifications set forth below:

- The volume cap requested may not exceed the amount needed to reasonably support the financing structure. (The Agency may disallow applications for volume cap for construction financing if the applicant has another source of

permanent financing, such as PennHOMES, which reduces the financing on a dollar for dollar basis. Such disallowance is not intended to discourage leveraging HOPE VI and other public housing funds);

- Evidence of qualification under the relevant bond financing sections of the Code;
- Evidence of qualification for Tax Credits, if applicable;
- Evidence of qualification of development team and bond financing team;
- Evidence of financial feasibility of facility and cost efficiency of bond financing structure. The Agency reserves the right to impose a cap on any volume cap requests.
- Evidence of commitment of all long term development financing sources;
- Evidence of ability to support a 35 year minimum low income set aside period or a feasible financial conversion to affordable homeownership at the end of the qualified project period;
- Evidence and support of adequate market for the units;
- Demonstration that the development will not adversely impact other affordable housing properties in the identified market area or result in overconcentration of affordable units; and
- Evidence of accessibility and/or VisitAbility design features in the development to the greatest extent economically feasible.
- Evidence of outreach to minority, women's, disadvantaged and/or veteran's businesses to be part of the development team.
- Demonstration that the development will be able to close on all financings and commence construction or rehabilitation within six (6) months from the application submission date or **December 14, 2018**, whichever is earlier, which may include evidence of zoning, regulatory, lender and all third party approvals.
- All funded applications will be required to comply with Agency reporting and recordkeeping, and unit accessibility requirements set forth in the Agency's program.

FUNDING PRIORITIES OF THE PROGRAM

The Agency will give priority to developments that best demonstrate the following characteristics:

- Ability to quickly and efficiently close their financing, commence and complete construction;
- Maximal efficiency of all financing resources and structure;
- Provision of quality housing within the community for persons with greatest need;
- Affordability of development's rents;
- Evidence the development affirmatively furthers fair housing in conformance with specific goals identified in the Assessment of Fair Housing of the Commonwealth or of a regional or local government or political subdivision;
- Reasonableness of costs for financing structure;
- Reasonableness of construction costs; and
- Reasonableness of all third party fees.

The Agency may consider such additional criteria it deems necessary in its discretion to achieve maximum benefit of the resources available to it for financing low and moderate income residential rental facilities. Such additional factors include, *inter*

alia, consideration of geographic and regional representation and resource allocation, community and economic impact and achieving the most qualified developments with the scarce resources through the imposition of a maximum per-development allocation of volume cap. The Agency may disallow or may impose cost adjustments upon developments with identity of interest between any of the principal parties.

The Agency reserves the right to discontinue, modify, suspend or amend this program at any time, with or without further notice to any interested party. All decisions of the Agency are subject to such additional conditions, restrictions and requirements as determined by the Agency in its sole discretion. In addition, the Agency's selection of developments for possible allocation of volume cap is subject to final availability of resources. The Agency also reserves the right to impose any conditions on the financing that it deems reasonable in its discretion.

To ensure developments are managed by organizations with adequate tax credit experience, the Agency requires all applicants to participate in the ownership of the development during the entire 35 year minimum affordability period. All transfers of ownership interests other than in the investor limited partner or member require prior agency approval. Investor partners and members are not permitted to succeed the initial general partner or managing member without the express prior approval of the Agency.

In order to provide a resource for households seeking affordable housing throughout the Commonwealth, the Agency will require all developments financed with volume cap to participate in its interactive database for affordable housing units. Developments will be required to provide information including, but not limited to, unit amenities, household size, household income and move-in information and any ongoing unit vacancies in a secure and timely manner to the Agency throughout the project affordability and compliance period. All projects must also use the Agency's mandated form of Lease Addendum.
