The Pennsylvania Housing Finance Agency (Agency) hereby provides notice of the CARES Rent Relief Program (CARES RRP). CARES RRP was established pursuant to Act 24 of 2020 (act). The act established CARES RRP as an emergency response to the COVID-19 pandemic to disburse funds to counties throughout the Commonwealth to provide financial assistance on behalf of low to moderate income renters experiencing difficulty making rent payments as a result of the COVID-19 pandemic. Assistance shall be made available in the form of a grant and funds will be paid directly to landlords or property owners.

This notice describes the eligibility criteria, as well as the application submission and evaluation process. In addition, this notice identifies the timelines applicable to application submission and funding disbursement. Applications will be available on the Agency’s CARES website (https://www.phfa.org/pacares/). Participating organizations will accept CARES RRP applications beginning July 6, 2020, until November 4, 2020.

The guidance contained herein supersedes any previously published CARES Rent Relief Program Guidelines.

1. ELIGIBILITY GUIDELINES

For purposes of determining what should be considered for a lessee’s eligibility based on area median income, any compensation for services, including fees, commissions, fringe benefits, and similar items are defined as income. Income also includes all gross income derived from businesses.

When calculating eligible assistance or household income, the combined incomes of lessees who reside in the same housing unit shall be used to determine eligibility, but each may individually be eligible for the maximum amount of monthly assistance, not to exceed their monthly rent amount.

CARES RRP funds that will be disbursed to participating counties may be used to assist lessees that became unemployed after March 1, 2020, due to the COVID-19 pandemic, or lessees that are experiencing at least a 30% reduction in annual income related to COVID-19. The term “Unemployed” shall have the meaning as set forth in the act of December 5, 1936 (P.L. 2897, No. 1), known as the Unemployment Compensation Law.

Assistance may be provided to support lessees who are at least 30 days past due on their monthly rent payments and can verify job loss or loss of income related to COVID-19 rendering the lessee unable to pay rent. All CARES RRP assistance is subject to the availability of funding.

CARES RRP funds may only be used to cover rent incurred between March 1, 2020, and December 30, 2020. Property owners are eligible to apply on behalf of lessees. The maximum amount of monthly assistance is $750.

The maximum CARES RRP funding available is $4,500 throughout a period of six months.

For eligible lessees with current income of less than the pre-pandemic level, continuing assistance may be provided for a total of six months or until such time as the household income increases to the pre-pandemic level or to an amount which is no longer a 30% reduction, whichever comes first.

Eligible lessees must have an annualized current income of no more than the upper limit of “median income” as defined
in guidelines published annually by the United States Department of Housing and Urban Development. To find the median income for a specific county, visit https://www.huduser.gov/portal/datasets/il.html. Select 2020 as the year and choose the “Click Here for FY 20 IL Documentation” link to view the income limit per household size.

The CARES RRP income limit can be calculated by doubling the 50% limit (adjusted by household size), compared with the annualized current income amount. Applicant will not be eligible if the annualized current income exceeds that 100% median income amount.

Lessees will be required to submit verification of income from January 2020 to the date of application in order for the Agency to determine the pre-circumstance level and post-circumstance level so that a determination can be made as to whether there was a 30% reduction in income. Income limits per household size may also be found on the CARES RRP section of PHFA’s website.

Lessees who became unemployed after March 1, 2020, must be verified with the Department of Labor and Industry’s Bureau of Unemployment Compensation. Lessees seeking CARES RRP assistance must be able to provide the following information to demonstrate CARES RRP eligibility, including but not limited to:
