SUBJECT: Pennsylvania Housing Affordability and Rehabilitation Enhancement Program (PHARE) 2019 Annual Report

Enclosed for your review is the Annual Report for the Pennsylvania Housing Affordability and Rehabilitation Enhancement Program (PHARE) as required by Act 105 of 2010.

BACKGROUND:

In November 2010, the Pennsylvania Housing Affordability and Rehabilitation Enhancement Program ("PHARE") was enacted (Act 105 of 2010), establishing a housing trust fund. The fund can be used for a variety of purposes, including: providing dwellings for rent or purchase to low and moderate-income individuals or families; increasing the availability or quality of housing for elderly persons and accessible housing for persons with disabilities; preventing and reducing homelessness; development and rehabilitation of distressed neighborhoods; mortgage or rental assistance including housing counseling, foreclosure prevention and refinancing products; or providing loans or grants to low and moderate income owner occupants for repairs or improvements of their homes.

Funding allocated to projects may be used for predevelopment activities, acquisition of property, site preparation and construction, reconstruction and repair of existing structures, improvements and infrastructure. Funds may be used as a set aside for matching funds for counties that have established optional county affordable housing funds under 53 Pa. C.S. Ch. 60 (known as "local trust funds"). PHARE funds may not supplant existing resources dedicated to affordable housing activities, but they may be used to support, expand and enhance other programs administered by PHFA.

Under PHARE, PHFA may give preference to projects that meet specific goals, consider geographical distribution of program funds to ensure that all areas of the Commonwealth may participate, and make 30% of funds available for housing programs benefitting households with income less than 50% of the median area income.

PHARE requires PHFA to adopt a plan establishing priorities each year and describing the method in which program funds will be distributed. The 2019 plan was posted for public comment in December of 2018 and the Final 2019 Plan was adopted by the PHFA Board of Directors in March, 2019.

Following adoption of the Plan, a Request for Proposals for PHARE Fund was posted on September 9, 2019 and proposals were due to the Agency on November 15, 2019. The PHFA Board will review the process utilized by staff for application review and adopt a resolution authorizing funding for the 2020 PHARE Program and Projects in August, 2020.

PHARE/ Marcellus Shale Fund (Act 13 of 2012)

In February of 2012, Act 13 (of 2012) was signed into law, providing for impact fees relating to activity in the Marcellus Shale region of the Commonwealth. The "Impact Fee" Act includes funding for PHARE. Funding in the amount of \$2,500,000 for 2011 and \$5 million annually thereafter is specified for deposit in the PHARE fund at Treasury. The Impact Fee Act has restrictions on which counties may receive funding. Under the Impact Fee legislation, no less than 50% of the funds must be used in 5th, 6th, 7th and 8th class counties. Additionally, Act 13 of 2012 limits amounts allocated to qualifying municipalities and provides that any money remaining, after all allocations have been made to qualified municipalities, would also be deposited into the PHARE Fund.

PHARE/Realty Transfer Tax Fund (Act 58 of 2015)

In November, 2015 Governor Wolf signed House Bill 792 creating Act 58 of 2015. Act 58 dedicates a portion of funds raised from the state's Realty Transfer Tax ("RTT") into the PHARE Fund. The Fund will receive an annual amount equal to the lesser of forty percent (40%) of the difference between the total dollar amount of Realty Transfer Tax imposed under Section 1102-C of the Tax Return Code of 1971 collected for the prior fiscal year and the total amount of RTT estimated for the fiscal year beginning July 1, 2014. These funds are available in all 67 counties of the Commonwealth and adhere to all legislative requirements imposed under Act 105 of 2010 (PHARE), including an annual report to the legislature.

The Department of Revenue certifies the final figures for the PHARE/Realty Transfer Tax Fund on July 31st of each year. The funds allocated are capped at \$40 million annually. The certified allocation for 2019 was increased to \$40 million.

These funds will be provided to projects across the Commonwealth that include significant leveraging of other partner funds while addressing local unmet housing needs of individuals and families.

PHARE/National Housing Trust Fund

The National Housing Trust Fund was enacted as part of the Housing and Economic Recovery Act of 2008 ("HERA") to provide resources to develop, preserve and rehabilitate

housing for very low income and extremely low-income households. Funding for the HTF is derived for Fannie Mae and Freddie Mac earnings. PHFA is the entity designated by law for the administration of the HTF in the Commonwealth of Pennsylvania pursuant to Act 105 of 2010.

Pennsylvania was awarded \$6,879,626 in funding under the National Housing Trust Fund (HTF) in 2019.

Pursuant to HTF, funds will be available to developments which provide units which are affordable to tenant whose income do not exceed the federal poverty line or whose annual income do not exceed 30% of the median area income for the area, as determined by HUD with adjustment for bedroom size.

Attached, for your review is a financial update on the progress of previous year awards beginning in 2012.
