FOR HOME REPAIRS AND /OR ACCESSIBILITY IMPROVEMENTS:

Homeowners Energy Efficiency Loan Program – A PHFA loan that permits specific energy related home improvements (roof replacement; caulking, sealing & insulation; heating/cooling systems repair/replacement; window and door replacements; and limited other repairs that permit federal Weatherization assistance or replicate its assistance for non-eligible households). Loans are up to $10,000 for a term of 10 years (although they can be repaid earlier without penalty). For more information contact the PHFA Solution Center at 855-827-3466 or view PHFA's website.

PENNVEST Homeowner Septic Program – The PENNVEST Homeowner Septic Program is a low-interest loan to qualified homeowners who need to repair or replace their individual on-lot septic system OR connection to a public sewer system OR make a first-time connection to public sewer from an existing home. The program is not available to assist people building or installing a new home. This low-cost financing option is funded by PENNVEST and administered by the Pennsylvania Housing Finance Agency. Loans are up to $25,000 for a term of up to 20 years or 15 years for a mobile home. They can be repaid earlier without penalty. For more information, go to PHFA's website or contact the PHFA Solution Center at 855-827-3466.

HomeStyle Renovation Mortgage

PHFA offers this Fannie Mae program to permit borrowers to include eligible home improvements and repairs in one transaction when they purchase or refinance a home. For a typical home built at its current location the repairs may total up to seventy-five percent (75%) of the lesser of the “as-completed” appraised value of the property OR the purchase cost plus renovation expenses. For a manufactured home the limit is fifty percent (50%) of the “as completed” appraised value OR $50,000. For more information, go to https://www.phfa.org/programs/repairs.aspx. These loans are originated by PHFA Participating Lenders, found at https://www.phfa.org/homebuyers/participatinglenders.aspx.

Limited 203(k) and “regular” 203(k) Mortgages

PHFA offers these FHA programs to permit borrowers to include eligible home improvements and repairs in one transaction when they purchase or refinance a home.

The Limited 203(k) program permits homebuyers and homeowners to finance up to $35,000 into their mortgage to repair, improve, or upgrade their home. Homebuyers and homeowners can make property improvements without the services of a 203(k) consultant.

The “regular” 203(k) program permits a higher dollar amount for home improvements and repairs and requires the use of a consultant to help the homebuyer or homeowner plan and receive quality remodeling work for their home.
See a PHFA Participating Lender that offers these loans for more information. For a list of PHFA-FHA lenders see https://www.phfa.org/forms/participating_lenders/pl_fulllist.pdf Call your lender of choice, first, to make sure they offer the 203(k) and 203(k) Streamline products.

Local Government – Start with your county unless you live in a larger city. Some townships and boroughs also have funds available. Phone numbers can be found in the blue, government pages of your phone book and through an internet search. Often the right office is a “Redevelopment Authority,” a “Housing and Redevelopment Authority or Agency,” “Weatherization Program” or a “Planning Office.” If you do not find a listing similar to this for your local government, try the general information number and explain that you need assistance with home repairs, accessibility modifications, or your specific housing issue. Funds may be available and may include: HOME, CDBG, Act 137 Funds and PA Accessible Housing Program.

U.S. Rural Development Agency (USRDA) – A federal agency that offers loans and/or grants to assist individuals living in rural areas. Funding may be available through Rehabilitation Loans that have a 1% interest rate and offer up to $20,000. There is also limited grant funding available for senior citizens in amounts up to $7,500. If you live in a rural area, contact the state office at 1-800-670-6553 and ask for help in determining which regional office you should contact or use Find Your Local Service Center.

Weatherization – A county or regional program that provides grants for specific energy efficiency and heat-related repairs. Local weatherization programs can be found by using the search function at Benefits.gov.

Quick Start Housing Resource - PHFA and the Self-Determination Housing Project's Regional Housing Coordinators have compiled information about specific social service and housing resource agencies throughout the Commonwealth. Examples of these agencies are Habitat for Humanity, Residential Living Options and United Way as well as many more. For more information, go to PHFA’s website.

PAHousingSearch.com - A resource to link consumers to affordable housing options throughout the Commonwealth. This Web site offers information about apartment locations, rental prices and subsidies, accessibility features, development amenities, current vacancies, contact information, and the status of a property’s waiting list. For more information, go to the PA Housing Search website or contact 877-428-8844

FOR ACCESSIBILITY ONLY:

PA Assistive Technology Foundation (PATF) – A foundation that is committed to providing borrowers with low interest loans so they can pay for home modifications and devices that make their lives easier, more productive and more independent. They offer loan rates at 3.75% for $1,500 to $60,000. Loans of $1,500 or less are interest free. Call 1-888-744-1938 or go the PA Assistive Technology Foundation website.

PATF has also launched a one-year pilot program offering no-interest, no-fee financial loans between $100 and $7,000 to Pennsylvanians with disabilities and older adults for the purchase of needed assistive technology devices and services that help them remain independent, safe, healthy, and connected during the pandemic.
Also, PATF maintains a comprehensive list of Assistive Technology providers.

Inglis Home Modifications for Independence (HMI) – provides home modifications to help increase accessibility for eligible individuals with disabilities and older adults in Pennsylvania so they can remain independent and safe in their homes.
