This Addendum supplements and amends the Agreement to include the following:

The Contractor and Owner agree that the provisions of this Addendum and the Agreement and the rights and obligations of the parties hereunder shall at all times be subject to and in conformity with the provisions of the Housing Finance Agency Law ("Act") and the rules, regulations and guidelines of the Pennsylvania Housing Finance Agency ("PHFA"); and

The provisions of this Addendum and any applicable attachments incorporated herein supersede and void all inconsistent provisions in the Agreement and in any prior contract between the parties for the services to be performed hereunder.

ARTICLE I - DEFINITIONS

Any other agreement or understanding between parties shall not be considered part of the Contract Documents, will not be included in the Contract Sum and will not be eligible for project funds.

Latent Defects – Defects in materials, equipment or completed work which reasonably careful observation could not have discovered.

ARTICLE II – PAYMENT/RETENTION

1. All amounts to be paid by Owner to Contractor under the Contract Documents shall be paid in accordance with the PHFA Application for Payment submitted to Architect by Contractor and Certificate for Payment issued by Architect and are subject to the approval of PHFA. In the event Contractor fails to comply with all federal, state and local laws, ordinances, rules or regulations, with all PHFA requirements or guidelines or with all terms and conditions of the Contract Documents, progress payments may be withheld until Contractor has fully complied with the aforementioned, subject to the approval of PHFA, or, if payment has been previously made, such funds may be subject to reimbursement upon demand.
2. The period covered by each Application for Payment shall be one month ending on the last day of the month unless otherwise agreed upon by all parties.
3. Subject to the provisions of the Contract Documents, the amount of each progress payment shall be based on:
 - A. The total schedule of values of the work acceptably completed as approved by PHFA, Architect, Owner and any other necessary contract parties; plus
 - B. The values of materials and equipment delivered and suitably stored at the site that shall become part of the permanent structure within thirty (30) days after delivery; less

Upon Substantial Completion, the percentage retained may be reduced to two and one-half percent (2.5%). In the event of multiple Certificates of Substantial Completion being issued for phased projects, reduction to two and one-half percent (2.5%) will be considered only after the final phase of the whole is accepted. The balance due Contractor hereunder shall be payable at final loan closing provided

the work is fully completed and Contractor has complied with all provisions of the Agreement and this Addendum to Owner's and PHFA's satisfaction, including, but not limited to, submission and approval of the Contractor's Certificate of Actual Cost to PHFA at final loan closing and receipt of all certificates of occupancy for all units by Owner and PHFA.

4. All payouts are subject to Contractor's compliance with all wage determination processing and record keeping requirements. In the event any submitted supporting material is incomplete or deemed to be inaccurate or inconsistent with the requisite processing requirements, Contractor's payouts may be withheld until such discrepancies and processing requirements are met to PHFA's satisfaction. Under no circumstances shall such suspension or withholding of funding relieve Contractor from performance under the Agreement.

ARTICLE III – SCOPE OF AGREEMENT

Changes in the drawings and specifications for any terms of the Contract Documents, orders for extra work, alterations or additions to the work or any other changes which materially alter the obligations of Owner or alter the design or materially reduce the quality or amenities of the Development shall be submitted to Owner and PHFA for written approval. Contractor covenants to fully indemnify Owner and PHFA against losses or damages or suspension of warranties or other possible consequence associated with any changes made without prior written approval of Owner and PHFA.

Contractor further understands that the loan documents provide that in the event of failure of Owner to perform its obligations to PHFA thereunder, PHFA may as attorney-in-fact for Owner elect to undertake the completion of the Development in accordance with the Contract Documents.
6. The warranties in the Agreement shall not limit or exclude any other warranties, express or implied, which arise by operation of law.

Upon written notice from Owner or PHFA, Contractor shall proceed with due diligence, at its sole expense, to replace any defective material or perform any labor

necessary to correct any defect in the work. In case Contractor fails to correct or commence correction of defects within seven (7) days after receipt of written notice to replace defective materials or perform any labor required, Owner or PHFA may furnish whatever material or labor it deems necessary in its sole opinion. If Owner or PHFA determines that the condition poses a threat to the health, safety or welfare of the occupants, Contractor shall correct any defects within forty-eight (48) hours of written notice. If Contractor fails to promptly and properly perform, as determined by Owner and PHFA, during this Guarantee Period, Owner and PHFA may reduce the Contract Sum in an amount equal to the cost of curing any Latent Defects.

This includes such work coordination, record keeping, inspection and reporting regiments as may be required for any of the energy efficiency, Green Building, and/or sustainability certification programs the Development is participating in.

ARTICLE – VIII RECEIPTS AND RELEASES OF LIENS

Contractor hereby specifically agrees to pay the expenses of and do what is necessary to promptly remove or bond (to PHFA's and Owner's satisfaction) any mechanic's claim or lien against the Development for or on account of any work or labor done or materials furnished under the Contract Documents or otherwise, for, toward, in or about the erection and construction of the Development. In addition, Contractor shall not, at any time, suffer or permit any claim, lien, attachment, or other encumbrance, under the laws of the Commonwealth or pursuant to federal law, by any person or persons whomsoever, to remain on file against any money due or to become due, for any work done or materials furnished under the Agreement and, until such claim, lien, attachment or other encumbrance, is removed, Owner or PHFA shall have the right to preclude any payment to Contractor. ARTICLE XI – COST CERTIFICATION

1. 3. Contractor shall include in all subcontracts, equipment leases and purchase orders a provision requiring the subcontractor, equipment lessor or supplier to certify its costs incurred in connection with the Development. In the event PHFA determines there is an identity of interest between either Owner or Contractor and any such subcontractor, equipment lessor or supplier, PHFA will require additional bidding information and protocols to ensure that the costs are not above market.

ARTICLE XII – CONTRACTOR INTEGRITY

It is essential that those who seek to contract with the Commonwealth of Pennsylvania (“Commonwealth”) observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

1. DEFINITIONS. For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:
 - A. “Affiliate” means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.

 - C. “Contractor” means the individual or entity that has entered into this contract with the Commonwealth.
 - D. “Contractor Related Parties” means any affiliates of the Contractor and the Contractor’s executive officers, Pennsylvania officers and directors, or owners of 5 percent or more interest in the Contractor.

 - G. “Non-bid Basis” means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.
2. In furtherance of this policy, Contractor agrees to the following:

- A. Contractor shall maintain the highest standard of integrity in the performance of this contract and shall take no action in violation of state or federal laws, regulations or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.
- B. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- C. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.
- D. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- E. Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:
 - (1) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
 - (2) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
 - (3) had any business license or professional license suspended or revoked;
 - (4) had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- F. Contractor shall comply with the requirements of the Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.) regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a).
- G. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.

- H. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- I. Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.
- J. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

ARTICLE XIII – CONTRACTOR RESPONSIBILITY

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). The term contractor includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.

1. The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.
2. The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.
3. The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the

Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.

4. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
5. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
6. The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by either searching the Internet at <http://www.dgs.state.pa.us/> or contacting the:

2. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract.
3. The Contractor and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their in writing employees of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contracted services are performed shall satisfy this requirement for employees with an established work site.
4. The Contractor and each subcontractor shall not discriminate by reason of race, gender, creed, sexual orientation, gender identity or expression, or in violation of PHRA and applicable federal laws, against any subcontractor or supplier who is qualified to perform the work to which the contract relates.
5. The Contractor and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws, regulations and policies relating to nondiscrimination and sexual harassment. The Contractor and each subcontractor further represents that it has filed a Standard Form 100 Employer Information Report ("EEO-1") with the U.S. Equal Employment Opportunity Commission ("EEOC") and shall file an annual EEO-1 report with the EEOC as required for employers subject to Title VII of the Civil Rights Act of 1964, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Contractor and each subcontractor shall, upon

request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the contracting agency and the Bureau of Diversity, Inclusion and Small Business Opportunities, for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.

6. The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.
7. The Contractor's and each subcontractor's obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor and each subcontractor shall have an obligation to inform the Commonwealth if, at any time during the term of the contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.
8. The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the Agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

ARTICLE XV – ASSIGNMENTS AND SUBCONTRACTORS

1. The Agreement shall not be assignable by either party, except that Owner may assign the Agreement, or any rights hereunder, to PHFA, subject to the rights of PHFA, and shall be deemed to have made such assignment of the Agreement to PHFA upon PHFA sending written notice to Owner invoking said assignment and setting forth the breach by Owner of the loan documents between Owner and PHFA.
2. Contractor understands that the Development under the Agreement is to be financed by loans from PHFA to Owner and the loans will be secured by mortgages, and that the terms of the loans are set forth in an agreement between Owner as borrower and PHFA as lender. Contractor further understands that the agreement provides that in the event of the failure of Owner to perform its obligations to PHFA thereunder, PHFA may as attorney-in-fact for Owner elect to undertake the completion of the Development in accordance with the Contract Documents.
3. Contractor shall not employ any subcontractors that Owner or PHFA within a reasonable amount of time, object to as incompetent, unfit or objectionable for any other reason.
4. Contractor agrees that it is fully responsible to Owner for the acts and omissions of its subcontractors, suppliers and persons directly or indirectly employed by it. Nothing contained in the Contract Documents shall create privity of contract between any subcontractor and Owner or PHFA.
5. All work performed for Contractor by a subcontractor shall be pursuant to an appropriate agreement between Contractor and subcontractor (and where appropriate, between subcontractor and subcontractor). PHFA reserves the right to review and approve any such agreement.

ARTICLE XVI – HOME REQUIREMENTS

(Applicable with HOME, HTF, CMF and other federal funding programs)
